

List of Tables

Table 1.1: Most Globally cited papers for the Molluscan Research.....	18
Table 1.2: Locally top cited papers	21
Table 2.1: Taxonomy of Selected Dominant species.....	49
Table 2.2: Selected environmental predictors suitable for benthic species distribution modelling along with their biological importance.	54
Table 3.1: List of the Molluscan species recorded.	68
Table 4.1: Machine Learning Models Utilized Species Distribution Modelling (SDM).....	151
Table 4.2: Zone wise distribution of species.....	154
