This is to certify that Ms. **Agravat Pooja Anilbhai** (Reg. No. - FoS/ 2269) has conducted her research under my Co-Guidance for her thesis entitled "**Diversity, Distribution and Population Ecology of Marine Molluscs along South Saurashtra Coast, Gujarat, India**".

Throughout the course of her research, she demonstrated a high level of commitment and diligence. Her work was well-organized, and she effectively tackled the challenges presented by her research topic.

I am pleased to report that her progress in the research was good, and she consistently met the objectives outlined in her research plan. Her analytical and critical thinking skills were evident in her approach to data collection, analysis, interpretation and scientific writing.

Her contributions to the project were valuable, and her work shows promise in her field of study.

Sincerely,

Dr. Jatin V. Raval
Assistant Professor (Zoology)
Department of Life Sciences
