Acknowledgments

I want to express my deepest gratitude to my supervisor, Dr. Sejal K. Shah, for her invaluable guidance and unwavering support throughout my Ph.D. journey. Her dedication and expertise have been instrumental in shaping this thesis. I am sincerely grateful for her continuous encouragement, endless patience, and genuine concern for me academically and personally.

I take this opportunity to thank Professor Haribhai R. Kataria, Dean, Faculty of Science and Professor Rajendra G. Vyas, Head, Department of Mathematics, The Maharaja Sayajirao University of Baroda, Vadodara, for their continuous motivation and support during my research. I also express my sincere gratitude to all my teachers of the Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, for their constant encouragement and support throughout my journey. I gratefully acknowledge the assistance and support provided by the administrative staff at The Maharaja Sayajirao University of Baroda, Vadodara.

My thanks are also due to all my colleagues at the Department of Mathematics, B. K. M. Science College, Valsad, for their consistent support and encouragement. Above all, I thank my parents for their unconditional love and support.
