

ACKNOWLEDGEMENT

I owe gratitude to those who made my journey successful. First, I thank God for being with me, giving me patience and leading my life successfully through this challenging journey.

I express my sincere gratitude to my PhD Guide Prof. (Dr). Jayrajsinh D. Jadeja for his valuable inputs, encouragement and timely guidance which enabled me to overcome the challenges I encountered during my doctoral work. I am grateful to have Sir as my research guide.

My sincere thanks go to all Professors of Faculty of Management Studies. I also extend my gratitude to all non-teaching staff of the faculty and University who provided all the support in my research work.

My love and appreciation go to my family who accepted all sacrifices and gave me endless support.

Without all the support it was never possible to achieve this milestone. I thank once again to all who supported me in this journey.
