First and above all, I am thankful to God, the Almighty for providing me this opportunity and granting me the capability to proceed successfully. The accomplishment of this thesis was possible only due to the support of many wonderful people. It is humbling as well as emotional experience to owe them my sincere thanks to those who have helped along the journey of my Ph.D.

*My deep gratitude goes first to my research supervisor, **Prof. A. K. Prajapati**, who proficiently guided me throughout my research work and shared the excitement and setbacks of this journey. His profound knowledge and unwavering enthusiasm for chemistry kept me constantly engaged. His guidance inspired me to work hard and put more efforts in my research and study. His continuous involvement and fruitful discussions in the subject proved to be a major contribution to this work. His constant encouragement, especially during the challenging times, was a great motivation.*

*I am thankful to **Prof. Ashutosh Bedekar**, Offg. Head, and **Prof. Anjali Patel** and **Prof. Shailesh Shah**, Former Head, Department of Chemistry, Faculty of Science, The Maharaja Sayajirao University of Baroda for allowing me to use the various facilities, infrastructure and instruments in the department during my research work.*

*The financial support obtained from the **SHODH-ScHeme** of Developing High Quality Research fellowship, Education Department, Gujarat State is earnestly acknowledged.*

*I am thankful to **Dr. Rohit Soni**, V.C. Nominee, Subject Expert, Director, Advait Pharmachem, GIDC Makarpura, Vadodara for his valuable technical suggestions, motivation and assistance in keeping my progress on schedule.*

*Other Members from my Doctoral Research Committee, **Prof. H. R. Kataria** (Chairperson), **Prof. A. V. Bedekar** (Co-Chairperson), **Prof. A. K. Prajapati** (Convener), **Prof. Prasanna Ghalsasi** (Member), **Dr. Arun L. Patel** (Member) and **Dr. Arpita S. Desai** (Member) are thanked for their interest and valuable insightful comments on my research.*

*I am very grateful to **DST-FIST** for NMR instrumentation facility. I am grateful to the research scholars of departmental instrumentation committee who extended their help and carrying out various analytical characterization NMR, FTIR, UV, POM, DSC, Mass and TGA analysis.*

*I am thankful to the Sophisticated Analytical Instrument Facility (**SAIF**), Central University of Punjab for ¹³C-NMR, Mass and elemental analysis. I thank the Department of Chemistry, Faculty of Science, The Maharaja Sayajirao University of Baroda for Computational facilities.*

*I am thankful to **Mrs. K. N. Vasudha** and **Prof. Sandeep Kumar**, Raman Research Institute (RRI, Bangalore), for the XRD analysis. I am highly obliged to **Dr. Ravishankar Kumar**,*

Department of Physics, GITAM University, Visakhapatnam for the DFT analysis. I would like to thank **Dr. Bharat Kumar**, Department of Physics, Central University of Karnataka for Thermal photoisomerization studies. I would like to thank **Prof. Manjula V.**, Department of Physics, BITS Pilani, Rajasthan for the study of physical properties.

I would like acknowledge all the **Teaching staff** who directly or indirectly helped me in my research work, I am thankful to **Dr. Kiran Nakum** and **Dr. Rina Soni** for their valuable guidance in the field of Liquid Crystals. I would like to thank the **office staff** and **non-teaching staff** of the Chemistry department, for help in all administrative activities related directly or indirectly to my work. My special thanks to my present and former **lab mates, research colleagues** and **friends** for their support and cooperation. I would also like to acknowledge the dissertation students Feni, Shivani, Yuvaraj, Manali, Chetana, Sonu and Ayush, for their help in lab work during my different ongoing research works in Ph.D.

I am extremely indebted to my family for their continuous support and care. No words can suffice the unparalleled love and sacrifice made by my parents, **Mrs. Chetana Rabari** and **Mr. Kanu Rabari** for their emotional support. My special thanks to my brother **Nisarg**. I humbly thankful to my husband, **Harshil** for supporting me. I am also Grateful to my in-laws for their unwavering support. I am deeply grateful to my family members for their unwavering love, support, and faith. Special thanks to my grandparents, **Mrs. Dahiben Rabari** and **Mr. Gokalbhai Rabari**, for their blessings. I extend my heartfelt gratitude to my elders, **Mr. Hasmukh** and **Mrs. Lila Rabari**, **Mr. Manubhai** and **Mrs. Nayana Rabari**, **Mr. Bharat** and **Mrs. Nayana Desai**, as well as my brothers **Mehulbhai**, **Vijaybhai**, **Jigarbhai**, and my sister-in-laws **Jayaben**, **Varshaben**, and **Mayaben**. Your belief in me made this journey possible.

I am sincerely grateful to everyone who knowingly or unknowingly supported me throughout my research journey.

Mahima Rabari
