

Acknowledgement

This research journey has been an enriching and stimulating experience, providing numerous opportunities for learning and growth. I take this opportunity and would like to express my heartfelt gratitude and appreciation to everyone whose valuable contributions have played a significant role in advancing this work.

*Above all, I humbly extend my deepest gratitude to **Almighty GOD** for giving me strength and countless blessings. I seek the blessings of Shree Ganesh, the Vighna Hartha, Saptashrungi mata and **Kuldevi Tuljabhavani** mata for guiding and giving me strength throughout this research journey.*

*I would like to convey my sincere appreciation to my research guide, **Dr. RajendraSinh N. Jadeja**, for his unwavering support, insightful guidance and constant encouragement throughout this research. His expertise, patience and belief in my abilities have been invaluable, helping me grow both academically and personally. This work would not have been possible without his mentorship.*

*I sincerely thank **Prof. Ashutosh V. Bedekar**, Head, Department of Chemistry, The Maharaja Sayajirao University of Baroda, as well as **Prof. S. R. Shah** and **Prof. Anjali Patel**, former Heads, Department of Chemistry, for generously providing the infrastructure and instrumental facilities needed for my research.*

*I would like to express my sincere gratitude to **Dr. Hetal Roy**, Assistant Professor and **Dr. Kaushalkumar Chaudhari** from the Department of Zoology, The M. S. University of Baroda, for their invaluable assistance with the anticancer study. I also wish to thank **Prof. Ray J. Butcher**, Department of Inorganic & Structural Chemistry, Howard University, Washington, DC, USA and **Duane Choquesillo-Lazarte** from the University of Granada, Spain for their support with single crystal X-ray diffraction analysis.*

*I express my sincere thanks to the **teaching staff** of the Department of Chemistry Prof. N. D. Kulkarni, Prof. Debjani Chakraborty, Prof. Shubhangini S. Soman, Prof. A. K. Prajapati, Prof. P. Sudhakar, Prof. S. Baran, Prof. P. Ghalsasi, Prof. B. M. Trivedi, Dr. Amar Ballabh, Dr. H. P. Soni, Dr. V. K. Singh, Dr. S. I. Thakor, Dr. A. A. Ajmeri, Dr. A. L. Patel, Dr. Kiran Nakum, Dr. Divyesh Patel, Dr. Arpita Desai and Dr. Prakash Samnani for their kind support.*

I would like to extend my gratitude to the various instrumentation facilities that facilitated the analyses in my research. The DST-PURSE and DST-FIST funded 400 MHz NMR facilities at The Maharaja Sayajirao University of Baroda. I would like to acknowledge O2h and IIT Ropar for the ESI-Mass analysis, SAIF IIT Bombay and SAIT IIT Madras for the ESR analysis, IISER Bhopal for the magnetic study and Department of Applied Physics, The Maharaja Sayajirao University of Baroda for powder XRD analysis.

*I am thankful to **Sidhdhanath Industries**, Sachin (Surat) for providing pyrazolones, I also appreciate the support from Shiva Pharmachem Limited in Vadodara (Gujarat) for supplying substituted benzoyl chlorides. Additionally, Thanks to **Mr. Jeet Sharma**, CSIR-*

CSMCRI, Bhavnagar for the Electro-chemical analysis (CV) and Aakaar Biotechnologies Private Limited, Lucknow for the cytotoxicity assay.

I wish to express my sincere appreciation to the **office staff** of the department, Mrs. Revathi Ganesh and Mr. Kalpeshbhai and all the **non-teaching staff** members Mr. Dineshbhai, Mr. Rathwabhai, Mr. Rajeshbhai etc, for their invaluable support and assistance throughout my research.

I would like to acknowledge **all the teachers**, I learnt from since my childhood, I would not have been here without their guidance, blessing and support.

It needs a special mention to **all respected seniors**, Dr. Kanu katariya, Dr. Rina soni, Dr. Sadeka Munshi, Dr. priyanka salunke, Dr. komal kolte and Dr. varsha Bhardwaj for providing necessary guidance and help.

I would like to express my heartfelt gratitude to my research lab colleagues and also my dear friends, Ms. Grishma Vala, Ms. Purva Kachhi, Mr Maitrey Travadi and Mr. Jignesh Sathvara for their invaluable support, a friendly environment, encouragement and help during my research journey. You all have not only been fantastic colleagues but also my closest allies in our scientific pursuits. Thanks for tolerating my Jovial spirit.

I want to extend my deepest thanks to my wonderful friends and my ultimate masti partner, Krisha shah, Purva Kachhi, Binal Parmar and Margi joshi for simply sharing a good laugh. I am very much thankful to the research colleagues cum friends, Mahima, Astha, Dr. Jayshree patil, Hetvi, Meera, Radhika, Rageshri, Deba, Jignesh Sathvara, Prerak Patel, Palkesh Chauhan, Akash Gujarati, Harshil. Urmil, Rahul, Jay and all other research students of the department for their generous help, cooperation and providing a friendly environment. A special thanks to my lunch buddy! Mr. Maitrey Travadi, Mr. Naman shah, Ms. Purva Kachhi, Ms. Grishma vala and Mrs Krisha shah for sharing the snacks (especially when I “forgot” mine).

I am truly thankful to **my other departmental friends**, A big thanks to my dear friend and fellow tea lover, Miss Nisha Chandak (dept of biochemistry). Your friendship has been a source of strength for me. Thank you for sharing your room with me! Living together has been an adventure filled with late-night talks, snack runs and countless enjoyable moments. I would also like to thank my good friend, Miss Saranga M.V (dept of biochemistry). I truly appreciate the laughter and memories we've shared along the way. I am also thankful to Nidhi Nagariya, Kaushalkumar Chaudhri and Afridi Shaikh from department of Zoology.

Last but not least, it is my privilege to thank my support system, **my parents**. I owe my deepest thanks to my **beloved** Papa Mr. Vishnu Barad and Mommy Mrs. Maya Barad for always standing by my side throughout this journey. Whose unwavering love and support have been the foundation of my journey. Their sacrifices, encouragement and belief in my dreams have inspired me every step of the way. Thank you for being the greatest motivation in my life. I wish to extend a big thanks to my **in-laws** Aai and Papa, Mr. Rajesh Nakod and Mrs. Anita Nakod for their constant support and belief in my abilities. Thank you for always being there for me.

*I am immensely grateful to my companion, **my dear husband** Mr. Kartik Nakod, for his unwavering support, patience and encouragement during this research process. His love, understanding and belief in my abilities have been invaluable and a constant source of strength. I could not have completed this journey without him by my side. I feel truly blessed to have his presence in my life.*

*I am profoundly thankful to **my siblings** (Best bud) my dearest brothers, Vishal barad and Pratik barad, my adored sisters, Riya barad and Priya barad for their encouragement, love and belief in me have been invaluable and I truly cherish their presence in my life. Thank you for keeping things interesting, adding a bit of fun and excitement during this journey. I am very much thankful my aunty Swati Barad, my dadi Lalita Barad, Vimal Nakod and all my family members.*

*I am forever indebted to **my family**. Thank you for always being my rock and for cheering me on every step of the way. Their faith in my abilities and their willingness to lend a helping hand have made this journey all the more meaningful and beautiful. I dedicate this work to you, with all my love and appreciation.*

I sincerely thank everyone!

Sapna Barad
