

ACKNOWLEDGEMENT

I offer my heartfelt gratitude to Lord Shri Krishna, who showed me the right path and connected me with my guru and Ph.D. Guide. My deepest thanks go to my Guru and Ph.D. Guide, Dr. Sunita Upendra Sharma (I/C Dean, Faculty of Management Studies, The Maharaja Sayajirao University of Baroda, Vadodara), whose invaluable guidance, knowledge, motivation, and unwavering support have illuminated my path and inspired me to complete this work. She has been very patient with me and given lot of support throughout my journey.

A special thanks to Mr. Rajesh Tapara, Council member, ICSI for sharing his expertise in an interview and to Mrs. Dharsha Kikani, women independent director who took time from her busy schedule to provide her invaluable guidance. I would like to extend my gratitude to Mr. Hiren Dalwadi (Finolex Industries Limited- Compliance Officer), Mr. Sandeep Kumar (DS Group-Company Secretary) and Mr. Ravi Pareek (Gujarat State Electricity Corporation Limited-Company Secretary) for helping towards content validity of the data collection instrument.

Thanks to all the Company Secretaries who took out time and participated in the survey, contributing their perspectives and enriching the research study. I wish my sincere thanks to Mr. Birju Mistry (Head HR- Ami Lifesciences Private Ltd. and Mr. Deep Agrawal (Company Secretary) for helping in data collection.

I am also thankful to Ms. Smita Trivedi (Assistant Professor-Faculty of Management Studies) for her input and guidance during the research analysis, Dr. Mayank Trivedi (University Librarian and Senate member, Smt. Hansa Mehta Library, MSU), administrative staff at Head Office for their guidance and support in documentation work, thanks to library staff and all administrative staff of Faculty of Management Studies, for their support for various administrative work.

I would like to extend my gratitude to my beloved parents, my in-laws, and my husband, Prasanjit Bhuinya. Thank you for being my pillars of strength. Your continuous encouragement and motivation have given me the resilience to overcome every challenge along the way. My heartfelt appreciation extends to my siblings, friends, and colleagues who have supported me and continuously motivated me throughout this journey.

Last but not the least special thanks to my precious daughter Aaditri, whose love and patience have been my constant inspiration, and to her grandparents, who cared for her while I dedicated time to my Ph.D. research. This thesis stands completed thanks to each of you, and I am profoundly grateful.
