

ACKNOWLEDGEMENT

I am profoundly grateful to my mentor, **Dr. Prashant Murumkar**, whose unwavering support and guidance have been central to my journey. I am especially indebted to him for helping me secure India's most prestigious, Prime Minister's Research Fellowship (PMRF), an opportunity that has significantly shaped my academic path. His assistance in facilitating my training at Karolinska Institutet, Stockholm, Sweden provided me with invaluable international exposure and skills that enriched my research experience. His dedication, encouragement, and belief in my potential have been a constant source of motivation. This work is a testament to his mentorship and the opportunities he has helped me achieve.

I would like to extend my heartfelt gratitude to **Mr. Ashok Jhaveri**, Director (emeritus) and **Mr. Kunal Jhaveri**, Director, Megafine Pharma for their generous sponsorship and support through the Prime Minister's Research Fellowship (PMRF). This fellowship has been instrumental in enabling me to pursue my research with dedication and focus, has provided me with the resources necessary to achieve my academic goals. I am truly thankful for the confidence he has placed in my work and for the invaluable support that has empowered my PhD journey. Also thankful to **Science and Engineering Research Board (SERB)** for commitment to fostering innovation and supporting young researchers has been an invaluable asset, empowering me to pursue my PhD with dedication and vision.

I would like to thank **Dr. Kirti Patel**, Dean, Faculty of Pharmacy, **Prof. (Mrs.) Krutika Sawant**, formerly Dean, Faculty of Pharmacy, for providing the facilities for research. I am also grateful to **Dr. (Mrs.) Hemal Tandel**, Co-ordinator, and **Dr. (Mrs.) Hetal Thakkar** formerly Co-ordinator, of Shri G. H. Patel Pharmacy building, The Maharaja Sayajirao University of Baroda, for providing necessary facilities during the course of the work. I would like to express my deepest appreciation to all other faculty members of the Pharmacy Department, **Dr. Navneet Prajapati**, **Dr. Bhavik Chauhan** and **Dr. (Mrs.) Rajshree Mashru** for their support at the Faculty of Pharmacy.

I am thankful to **Prof. Taher Dareh-Shori** for inviting me to his lab at Center for Alzheimer's Research, Department of Neurobiology, Karolinska Institutet, Stockholm, Sweden and for giving me an opportunity to conduct my research under his esteemed supervision. I am also thankful **Dr. Ravi Vijayvargia**, Department of Biochemistry, Faculty of Science, The Maharaja Sayajirao University of Baroda and his team including **Mr. Raju Dhabi** and **Ms. Ragi Mehta** for their kind collaboration in evaluating the compounds for the research work.

I owe a deep debt of gratitude to my incredible lab mates **Rasana Yadav**, **Aman Mourya**, **Rahul Barot** and **Monika Chauhan** for their unwavering support, and kindness. Their co-operation has been invaluable throughout this journey, from tackling challenges together to sharing countless memorable moments in the lab.

I am deeply indebted to **Mr. Om Prajapati** and **Mr. Dharmraj Pathak** whose dedication and hard work have been vital to the success of my PhD research. By embracing this project as their own, they not only contributed significantly to its progress but also brought fresh perspectives, energy, and enthusiasm that enriched the entire experience.

I want to express my gratitude towards non-teaching staff of G.H Patel **Prashant Bhai, Nagin Bhai, Kiran Bhai, Jagdish Bhai and Pravin Bhai** for their consistent support and the care they bring to maintaining our lab; their work has made a meaningful difference in my research journey. I want to thank **Mrs. Vaishali Patel** for her support in all the administrative work which was required during entire PhD tenure.

I want to thank my hostel mates **Dr. Pravin Patil, Dr. Brajesh Bhagat, Rushikesh Pokar, Hardik Parmar, Viswajit Chavda, Urvil Rajput, Vikas Ganvit, Navin Chaudhary, Kuldeep Chaudhary, Vijay Joshi, Brijesh Patel, Hemil Patel, Kishan Mali** for making me feel like home in Baroda. The countless memories will resonate in me forever.

With all my heart, I seek the blessings of my mentor my father, **Dr. Divyesh Joshi** & my mother **Nimisha Joshi**, the true foundation of my journey. They have been my pillars of strength, offering comfort during the hardest moments and celebrating every small victory as if it were their own. To **Rutvik Joshi**, my wonderful brother, he has been a steady source of motivation, always ready to lift my spirits and remind me of my potential. His faith in me and his belief in my goals have kept me going, even during the most challenging moments. To my dadu, late **Shri Rameshchandra Joshi**, my dadi, **Ranjanben Joshi**, my nana, late **Shri Dhansukhlal Desai** and nani, **Sulochana Desai** for showering their never-ending love towards me.

To my beloved wife **Aayushi**, I am grateful, whose love, patience, and unwavering support have been my constant source of strength throughout this journey. She has stood by me through the long hours, late nights, and moments of doubt, offering me encouragement and comfort every step of the way. Her understanding, sacrifices, and belief in my dreams have been invaluable, and I am endlessly thankful for the joy, stability, and inspiration she brings to my life. This accomplishment would not have been possible without her, and I dedicate this work to her with all my love and gratitude.

Above all, I am profoundly grateful to **Shri Krushna**, whose guidance, grace, and blessings have been my strength throughout this journey. In moments of doubt and difficulty, my faith provided me with resilience and hope, reminding me that I am never alone.

JOSHI KARAN DIVYESH
