During my Ph.D studies, I received great support from numerous individuals and organisations. Understanding their participation was essential. My sincere gratitude goes out to my Guide, Dilip Kataria, for his superb counsel, support, and direction. I would have not been able to interpret my data without his help. He has inspired me every time and treats me with such positivity all the time. I am also indebted to the Arya Samaj and their activities, without which this thesis would have been a distant reality. I also thank to Head in charge and Dean in charge Prof. Kalpana Gavli for her positive attitude towards me. I want to express my gratitude to Professor Aruna Awasthi, who has consistently helped me understand the different concepts of modern history and inspired me to pursue further studies.
