

# Acknowledgement

A Journey is easier when you travel together. Interdependence is certainly more valuable than independence. The work on this thesis has been an inspiring, often exciting, sometimes challenging, but always interesting experience. It has been made possible by many other people, who have supported me. It is pleasant aspect that I have now the opportunity to express my gratitude for all of them.

I would like to express my sincere thanks to ‘**GOD**’, for the mercy and for allowing me to take a step ahead in my academic career. No words could adequately express my feelings and I shall ever remain thankful and indebted to the person who remained associated with me during the journey of my Ph.D. I could have never done this without the belief in you, The Almighty.

I am deeply thankful to **Dr. Rakesh Sharma**, Assistant Professor in the Department of Applied Chemistry, for his invaluable guidance, inspiration, patience, and continued support during my work, which greatly contributed to the successful completion of this Ph.D. work. This achievement was only possible due to the unwavering support he provided. I am grateful for the opportunity to pursue my doctoral program under the guidance of a person with a friendly and positive attitude who has always been available to address queries despite being busy. Thank you so much sir, for your helpfulness and encouragement. I have been lucky to work under his supervision. I pray that the Lord blesses you with enduring good health, peace, success and abundant happiness.

I am highly thankful to **SHODH-Scheme of Developing High quality research**, Education Department, Knowledge Consortium of Gujarat (KCG), Govt. of Gujarat for financial support for two years during the research period.

I am also grateful to **Prof. P. T. Deota**, Head, Department of Applied Chemistry for his moral support and cooperation throughout this work and giving me an opportunity to carry out my research work.

It takes an immense pleasure to mention **Prof. R. C. Tandel**, Former Head of Department of Applied Chemistry, for his support, scientific advice, knowledge and many insightful discussions and suggestions.

I would like to express my heartfelt gratitude to **Dr. Sanjeev kumar, Dr. Chetan K. Modi, Dr. Ran Bahadur, Dr. Sandhya Dixit, Dr. Babita Sehgal** and **Dr. Vaishali Suthar** for

their unwavering support and guidance throughout my research journey. I have sincere appreciation for your kind heartedness and continuous support during every phase of my research work. Their expertise, encouragement and insightful feedback have significantly contributed to the success of my project.

To everyone who has been a part of my educational experience, from the teaching staff to the non-teaching staff, thank you for your contributions to my success. Your support has been invaluable, and I am truly thankful for the positive and enriching environment you have provided.

I want to express my sincere thanks to **Dr. Anju Kunjadiya** and **Miss. Priyanka Dalwadi** from the Indukaka Ipcowala Center for Interdisciplinary Studies in Science and Technology at Sardar Patel University, Anand. Their continuous support has been invaluable, particularly in the In-vitro antimicrobial study, and I am truly grateful for their expertise and guidance.

I would also like to extend my appreciation to **Dr. Vandana Rao** from the Department of Metallurgical and Materials Engineering at the Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda. Her support in instrumental analysis has played a crucial role in the success of my work, and I am thankful for her contributions to the research.

I want to express my sincere appreciation to wonderful research group members **Dr. Sofiya Shaikh, Late Mr. Yogesh Chamkure, Dr. Hemil Patel, Dr. Vishal Vora,** and **Mr. Vikash Ganvit,** who have been supporting me throughout my research journey. Your contributions have made a lasting impact on my work, and I am truly thankful for your collaboration. Also **Mr. Viswajit Chavda** and **Mr. Sagar Bairwa,** and all other research friends, your unwavering support and valuable insights and assistance, which have significantly influenced my research.

My deepest gratitude goes to **my family** for their unflagging love and support throughout my life; this work is simply impossible without their blessings. Finally, I would like to thank everybody who was important to the successful realization of the thesis, as well as express my apology that I could not mention personally one by one.

**Saurav S. Patel**
