

ACKNOWLEDGEMENTS

In my long journey of scientific answers, I was supported immensely by many people in their unique ways for which this became a lifetime experience. At this juncture, I would like to express my sincere gratitude to all of them whose association and contribution have been a driving force for me in completing the study.

I cannot express thanks in just few words to my research guide **Prof. C. Ratna Prabha**. I am fortunate to carry out my doctoral work under her guidance. She bestowed immense faith in me which strengthened my confidence and boosted my morale. I am very grateful for her patience, motivation, enthusiasm and forgiveness. I am thankful to madam for the freedom she gave me for working in the laboratory as I needed. Her immense knowledge in the field, scientific counseling and urge to seek performance in science has inspired me to strive for excellence. Her corrections and critical remarks for presenting matter in scientific way have encouraged me to prove my abilities. Thank you very much madam for everything

I again sincerely show my gratitude to **Prof. C. Ratna Prabha**, Head, Department of Biochemistry for supporting and providing infrastructure which were needed to accomplish the work and being kind, supportive and motivating. I heartily thank **Prof. Haribhai Kataria**, Dean, Faculty of Science. I acknowledge member of my Doctoral committee members for generously offering timely guidance and excellent suggestions at annual seminars which helped me a lot in improving my experiments. I would like to **thank Prof. Pushpa Robin, Dr. Shashikant Acharya, Dr. Rajesh Singh, Dr. LaxmiPriya, Dr. Ravi Vijayvargia, Dr. Devesh Suthar, Dr. Sanjeev Upadhyay and Dr. Mayur Sahani** for their encouraging words, criticism, scientific discussions and valuable suggestions throughout the research tenure.

I am extremely grateful to **Prof. C. N. Murthy**, Dean, Faculty of Engineering and Technology, The M. S. University of Baroda to encourage and support. I am immensely thankful to **Dr. Jinal Thakkar**, my senior and co-author who directed me towards the field of biosensors and helped me throughout my PhD. Journey.

I sincerely acknowledge IIT-Gandhinagar, SAIF for SEM analysis of electrode surfaces. I am highly grateful to all the office staff of Department of Biochemistry including **Akshitaben, Manishbhai, Shaileshbhai, Rameshbhai, Vijaybhai, Anilbhai, Sandeepbhai** and **Balvantbhai** for their help and guidance in all the official matters whenever I needed. I thank **Mayurbhai** and

Ujjawalbhai (Academic section), **Chiragbhai, Rajeshbhai** (GCU Section), **Hetalben** (GCU Section), **Trupti ben** (Dean's Office), **Gopalbhai** (Dean's Office), **Ekta Shah** (Audit Section), **Neeta madam and Hinal mam** for their conducive and friendly support at University Protocols.

I would like to extend my gratitude to SHODH-gujarat government for providing me fellowship.

I acknowledge my current and past lab members, without whom the task was impossible. I thank my lab seniors **Dr. Jinal Thakkar, Mr. Sandeep kumar Dantuslia** and **Miss. Megha Chaudhary** who have taught me a good laboratory practices and made me understand the scientific problems as and when I required. Their punctuality, hard work and dedication towards work have always motivated me. I would like to thank **Krishna, Anjali, Bhoomi, Alex, Keval** and **Priyanka didi** for their constant help in the research work and to make the lab atmosphere light and enjoyable. I would like to thank all the dissertation students for being supportive, enthusiastic, party makers and outing sources.

No Journey is accomplished in isolation. It's the friends who make any journey lively, happy and meaningful. I would like to extend my heartiest thanks to my friends and colleagues **Tanvi didi, Akash sir, Kanchan, Gurpreet ma'am, Shushmita ma'am, Sejal didi, Nishant sir, Jaywadan sir, Vaidehi Ma'am, Karishma, Sandhya didi, Ananya, Gautami, Satakshi** and **Shivani didi** for their unconditional support during scientific sessions as well as for other stuffs. I would like to thank my senior **Jinal didi** for his constant support during my work. I would like to thank all the research scholars of the Department of Biochemistry **Raju sir, Ragi, Vikas, Vishal, Dhruvi, Dhruvi, Vasudha, Saif, Shani, Jyoti, saranga, Nisha** for their constant support till the end.

I am thankful from my heart to **Alex** and **Krishna** (my all-time supporter, booster), **Jinal didi, Megha didi** and **Sandeep sir** (who keeps available himself for any discussion which I really enjoy). Thank you, Krishna and Alex, for making me feel great while working and to take care of me. I specially thank both of you for being very supportive, helpful and enthusiastic labmates. who made the lab culture more lively. I thank all for being with me during my bad moods and lightening my moods.

I am very thankful to my senior **Jinal didi**. She has always listened my problems gently and constantly motivated me to overcome my bad moods. I also thank **Miss. Krishna Bhutiya**, she has always adored and showered love to me. I am also grateful to **Mr. Naresh Gordiya, Mr. Niraj Lodhiya, Mr. Ranjeet Gordiya** for pushing me during my low phase of doctoral studies saying "don't fell demotivated you have capacity to do all the hard things and you will do it soon". Thank you **Adv. Shrushti Lodhiya** for being my support in last phase of my work and I am very thankful

to **Mr. Niraj Lodhiya** who motivated me in the last phase of my work.. I specially thank "The Biosensor Team" **Jinal didi, Deena, Kriva, Gauri and Sidhdhesh**), **Krishna and Alex** for their generous, unconditional and extreme support in every aspect during my doctoral study. I am heartily thankful to **Gauri I. K.** and **Sidhdhesh Nawalu** who took care of me whenever my experiments failed and thank you so much for always telling me “ma’am hum kar lenge aur results bhi aa jayenge aap tension mat lo”. I also thank all the non-teaching staff of the department (**Axitaben, Rameshkaka, Shaileshbhai, Manishbhai, Vijaybhai, Anilbhai and Balwantbhai**) for supporting me in managing my work and duties

I would like to express my heartiest gratitude and thanks to my loving and caring family for their enormous support during the journey. They have constantly been a source of inspirations no matter whatever situation befall me they stood behind me to support and encourage me. The word "Thank you" would be too small to define their hard work and sacrifices to see me in this state as of today. Seeing their zeal, I could keep on going in my Research life and complete the journey successfully. I heartily remember and adore my grandparents **Lt. Jivanbhai Aghera** and **Lt. Maniben Aghera** for sawing spirituality and courage during my upbringing. I take this research as heartily blessings of my father (**Mr. Jayantilal Aghera**) and Mother (**Mrs. Kokilaben Aghera**). I adore my parents to enlighten and motivate me in every aspect of my life. I adore my Pappa, and Mummy for teaching me practical aspects of life which made me stronger in this journey.

However, my words can't express gratitude to my parents for whatever they have given me since my birth. I adulate my brother, **Mr. Yash Aghera** and sisters, **Mrs. Neha Rathod, Ms. Rajeshwari Aghera** and my brother in-law **Mr. Nitin Rathod**.

I cant thank enough my nephew **Aarav Rathod** for making me feel happy and motivated all the time whenever i am seeing him and spending time with him.

I thank my Mamma and didi for their patience, support and for excluding me from all social duties and household works. I thank my family for excusing my absence during the tenure. I deeply thank **Mr. Naresh Gordiya** and **Ms. Krishna Bhutiya** for being anger soaking support and

bearing my unexpected behavior during my bad moods. I esteem you for helping me out in all adverse situations. I admire them for being visionary support of my doctoral study, both literally pushed me to pursue the doctorate degree.

Finally, I thank one and all in case I forgot to mention who have helped me complete my Ph.D. work. I feel happy and lucky to have enormous support from all dimensions at the end of the journey. Last but not the least I would like to thank Almighty God for giving me the strength to complete my doctoral study and stand up to all the expectations of my family and teachers.
