

## **ACKNOWLEDGEMENTS**

I express my heartfelt gratitude to my research supervisor and guide, Prof. Hitesh D. Raviya, Head of the Department of English, for his invaluable advice, unwavering support, and immense patience during my PhD study. His deep knowledge and rich experience have encouraged me in my professional as well as personal life. It has been an utmost privilege, honour and very rewarding to be associated and blessed with a guide like him.

I extend my heartfelt gratitude to Prof. Adhya Saxena, and Professor Krishnan, Former Deans of the Faculty of Arts at The Maharaja Sayajirao University of Baroda, Vadodara, for facilitating my research work.

Additionally, I would like to express deep gratitude to all the professors of the English Department of The Maharaja Sayajirao University for their fervent commitment, dedication, and poignant words of advice that have guided me throughout this research work. Gratitude is also to all the members of the Departmental Research Committee for approving my application and providing the opportunity to participate in the rigorous research program. I appreciate the support of my co-scholar, Dr. Deepali Shahdadpuri, and express gratitude to all the non-teaching staff members in the English Department. Special thanks to the Smt. Hansa Mehta Library for granting access to their services.

I would be remiss in not mentioning my peers and dear colleagues who have supported me, and extended help wherever and whenever required during my early motherhood. Special recognition is due to the English teaching faculty of various colleges in Gujarat for their patience and cooperation in assisting me with data collection, which was integral to the completion of my thesis.

Lastly, I could not have undertaken this journey without my husband, Hardik Upadhyay and my family who have been my strongest critics, most diligent and compassionate motivators, and my biggest pillars of strength.
