

LIST OF TABLES

Number	Title	Page
1.0	Gross Ratio Enrolment and Number of Teachers at the School Level as of 2020	3
1.1	Profile of the Teacher Education Universities of Ghana	11
1.2	2019 TIMMS Average Mathematics Achievement and Scale Score Distributions	21
3.0	Description of the Study Population.	216
3.1	Sampling of participants for the various data collection activities	218
3.2	Profile of Teacher Education Universities	220
3.3	Distribution of the sample and sampling of pre-service teachers	224
3.4	The total available teacher educators in sampled campus departments	225
3.5	The sampled teacher educators for the study.	226
3.6	Sources of Quantitative Data	227
3.7	Classroom Observations Conducted by the Researcher	228
3.8	Learning Culture Observations Conducted by the Researcher	229
3.9	Resource Observations Conducted by the Researcher	229
3.10	Sources of Qualitative Data	230
4.0	Description of Course Outlines Taken for Analyses	241
4.1	Course Outline Structure Description	242
4.2	Academic Qualification of Departmental Teaching Staff Members	244
4.3	Structure of the BSc Mathematics Education of UEW	246
4.4	Structure of the Mathematics with Economics of UEW	248
4.5	Percentage Constituents of The Various Courses of UEW (Bsc Mathematics Education)	251
4.6	Percentage Constituents of The Various Courses of UEW (Bsc Mathematics Education With Economics)	251
4.7	Structure of the BEd Mathematics Education of CKT-UTAS	254
4.8	Percentage Constituents of the Departmental Courses of CKT-UTAS (Bed Mathematics Education)	257
4.9	Comparison of the BSc Mathematics Education, BSc Mathematics Education with Economics of UEW and BEd Mathematics	258
4.10	Respondents Qualifying Grades Statistics (Total Frequency = 218)	265
4.11	Participants WASSCE Aggregate Score Statistics	266
4.12	Participants Gender, Age Range and Qualification (Total frequency = 28)	266
4.13	Participants' Number of Articles Published in Journals in the Last Five Years	269
4.14	Responses of Pre-Service Teachers on Academic Enhancement Activities (Frequencies and Means)	270
4.15	Responses of Pre-Service Teachers on Learning Environment (Frequencies and Means)	272
4.16	Responses of Pre-Service Teachers on Learning Resources (Frequencies and Means)	273
4.17	Responses of Pre-Service Teachers on Teaching Learning Process (Frequencies and Means)	275
4.18	Responses of Pre-Service Teachers on Leadership and Governance	276

	(Frequencies and Means)	
4.19	Results of Mann-Whitney U Test for Male and Female Pre-Service Teachers' Responses on Academic Standards	278
4.20	Chi-square statistic, degree of freedom, asymptotic significance (2-tailed) p-value and Verbal Interpretation	279
4.21	Responses of Teacher Educators on the Admission Process (Frequencies and Means)	280
4.22	Responses of Teacher Educators on Staff Recruitment and Professional Development (Frequencies and Means)	281
4.23	Responses of Teacher Educators on Teaching-Learning Activities (Frequencies and Means)	283
4.24	Results of Mann-Whitney U Test for Male and Female Teacher Educators' Responses on Academic Standards	284
4.25	Responses of Pre-Service Teachers on Curriculum Design (Frequencies and Means)	286
4.26	Responses of Pre-Service Teachers on Curriculum Development (Frequencies and Means)	287
4.27	Responses of Pre-Service Teachers on Curriculum Implementation (Frequencies and Means)	289
4.28	Results of Mann-Whitney U Test for Male and Female Pre-Service Teachers' Responses on Curriculum Design, Development and Implementation	291
4.29	Results of Kruskal-Wallis H Test for of CKT-UTAS, UCC, and UEW Pre-Service Teachers' Responses on Curriculum Design, Development and Implementation	292
4.30	Responses of Teacher Educators' on Curriculum Design (Frequencies and Means)	293
4.31	Responses of Teacher Educators on Curriculum Development (Frequencies and Means)	295
4.32	Responses of Teacher Educators on Curriculum Implementation (Frequencies and Means)	296
4.33	Results of Mann-Whitney U Test for Male and Female Teacher Educators' Responses on Curriculum Design, Development and Implementation	299
4.34	Responses of Teacher Educators on Knowledge of Leadership (Frequencies and Means)	300
4.35	Responses of Teacher Educators on Leadership Experience (Frequencies and Means)	301
4.36	Responses of Teacher Educators on Leadership Relationship	303
4.37	Responses of Teacher Educators on Leadership Professionalism (Frequencies and Means)	305
4.38	Results of Mann-Whitney U Test for Male and Female Teacher Educators' Responses on Academic Leadership Practices	307
4.39	Responses of Pre-Service Teachers on Learning Culture Before Class (Frequencies and Means)	308
4.40	Responses of Pre-Service Teachers on Learning Culture During Class (Frequencies and Means)	309
4.41	Responses of Pre-Service Teachers on Learning Culture After Class (Frequencies and Means)	311

4.42	Responses of Pre-Service Teachers on Learning Culture During Examination (Frequencies and Means)	312
4.43	Results of Mann-Whitney U Test for Male and Female Pre-Service Teachers' Responses on Learning Culture	314
4.44	Results of Kruskal-Wallis H Test for CKT-UTAS, UCC, and UEW Pre-Service Teachers' Responses on Learning Culture	315
4.45	Responses of Pre-Service Teachers on Academic Challenges (Frequencies and Means)	317
4.46	Responses of Pre-Service Teachers on Resource Challenges (Frequencies and Means)	319
4.47	Responses of Pre-Service Teachers on Welfare Challenges (Frequencies and Means)	320
4.48	Responses of Pre-Service Teachers On Economic Challenges (Frequencies and Means)	321
4.49	Results of Mann-Whitney U Test for Male and Female Pre-Service Teachers' Responses Concerning Challenges Encountered	323
4.50	Results of Kruskal-Wallis H Test for CKT-UTAS, UCC, and UEW Pre-Service Teachers' Responses Concerning Challenges Encountered	324
4.51	Responses of Teacher Educators on Academic Challenges (Frequencies and Means)	325
4.52	Responses of Teacher Educators on Resource Challenge (Frequencies and Means)	326
4.53	Responses of Teacher Educators on Welfare Challenges (Frequencies and Means)	327
4.54	Results of Mann-Whitney U Test for Male and Female Teacher Educators' Responses Concerning Challenges Encountered	328
4.55	Introduction of lesson	330
4.56	Presentation of Lesson	332
4.57	Interaction with Learners	333
4.58	Content Knowledge and Relevance	334
4.59	Lesson Assessment	335
4.60	Learning Culture Before Class	336
4.61	Learning culture during class	337
4.62	Learning Culture after Class	338
4.63	Triangulation of findings from different data sources	351
