

# ACKNOWLEDGEMENT

Embarking on this doctoral journey has been an emotional odyssey, marked by challenges, achievements, and the invaluable support of numerous individuals who have profoundly influenced my path.

Above all, I extend my heartfelt gratitude to the Almighty, whose grace and blessings have been a constant source of guidance and strength throughout this endeavor.

Leading this journey is my esteemed advisor, Dr. Trupti Shah, Associate Professor, Department of Applied Mathematics, whose unwavering support and compassionate guidance have been a cornerstone of my progress. Her nurturing demeanor and genuine concern have provided reassurance during moments of doubt and uncertainty. Her commitment to my academic and personal growth surpasses the conventional role of an advisor, as she has generously shared her time, expertise, and steadfast encouragement at every challenge along this arduous path. With each obstacle surmounted, her faith in my abilities has been a beacon of inspiration, empowering me to transcend my limitations and aspire for excellence. To Dr. Shah, I extend my profound gratitude for not only shaping my academic endeavors but also for imparting enduring life lessons that will guide me far beyond the realm of academia.

I extend my heartfelt gratitude to Professor (Dr.) Dhanesh Patel, Dean of Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, whose steadfast support and guidance have been pivotal in addressing the challenges of doctoral research. His visionary leadership and unwavering encouragement have offered a strong foundation that has significantly shaped my academic journey.

Dr. Bankim Shah, Former Head, Department of Applied Mathematics, has provided exceptional guidance and support, cultivating an environment that nurtures intellectual growth and scholarly exploration.

This journey would not have been possible without the indispensable support of the Departmental Research Committee, comprising Professor (Dr.) H. V. Dedania (VC

nominee subject expert), Professor (Dr.) Dhanesh Patel, Dr. Bankim Shah, Dr. R. C. Shah, and Dr. Purnima K. Pandit. Their combined expertise and perceptive guidance have profoundly influenced the direction of my research, inspiring me to pursue excellence and innovation.

I also extend my sincere gratitude to my esteemed colleagues, whose unwavering support has fostered a sense of camaraderie amid the demands of academic life. Dr. S.B. Rao, Dr. N.S. Pathak, Dr. B.S. Ratanpal, Dr. Nilima Shah, and Dr. Jaita Sharma have been more than mentors—they have been trusted confidants, providing encouragement and reassurance during times of doubt and uncertainty.

I offer my sincere gratitude to the temporary teaching staff, including Mr. Amar Mangrola, Ms. Bhavyata Patel, Dr. Vishant Shah, Dr. Gargi Trivedi, Mr. Ajay Pathak, and Dr. Neetu Sharma, for their unwavering commitment and valuable support.

My fellow research scholars, including Sagar Khirsariya, Bhavesh Suthar, Divya Vaghela, Prani Mistry, Rinkal Patel, Tejal Shah, Ghanshyam Malviya, Dhruvit Trivedi, Shivam Munshi, Pinakin Bhatt, Krupali Chotara, and Nour Haj Hammadah, have been invaluable sources of support throughout this journey, providing camaraderie and empathy through its many highs and lows.

I sincerely appreciate the non-teaching staff members, including Sapna Sane, Pooja More, Madhuri Warday, Shankar Rabari, Ravi Rathod, and Prakashbhai Shah (Cha Wala), for their steadfast support and kindness. Their commitment to maintaining an efficient academic environment has been invaluable. From administrative assistance to their approachable demeanor, their efforts have left a meaningful imprint on my journey.

A heartfelt tribute goes to Dr. Pooja Shah, a cherished colleague and dear friend, whose persistent support and guidance have been a constant source of strength and inspiration. In moments of doubt, her reassuring presence has provided solace, reminding me of the power of friendship and camaraderie. I am deeply grateful to Dr. Anil Chavda for his insightful advice and unwavering encouragement throughout my research journey. His expertise and thoughtful feedback have significantly contributed to the quality of this

work. I am particularly grateful to Kuldip Chaudhary for his support, which has gone beyond professional guidance. His assistance has been like that of a brother, offering not only practical advice but also unwavering encouragement during difficult times. Kuldip's readiness to step in and help, coupled with his insightful problem-solving skills, has been invaluable. His presence has been a constant source of reassurance, and I truly appreciate his generosity in sharing his expertise and support whenever needed. I am deeply appreciative of Shardav Bhatt for his thoughtful suggestions and unwavering support, which have greatly contributed to the success of my research. I would like to express my sincere gratitude to my friends, Divya Rathod, Bhumika Patel, Yash Sule, and Nirav Panchal, for their unwavering support, encouragement, and valuable insights throughout my Ph.D. journey. Their friendship and constant motivation have been a great source of strength and inspiration. Additionally, I extend my gratitude to Mihir Thakkar for their invaluable suggestions and assistance in discussions various other tasks.

To my cherished family members – Maa, Pappa, Jyoti Baa, Hitarth, Krutarth, Sula Mummy, Ajay Pappa, Shruti Mummy, Bhavanshi – your steadfast love and support have been the cornerstone of my journey. Maa, your boundless love, unwavering faith, and sacrifices have been the bedrock of my strength. Your constant care and encouragement have guided me through every challenge. Pappa, your wisdom, support, and belief in me have been my greatest motivators, helping me navigate through life's obstacles with confidence. Jyoti Baa, your warmth, care, and gentle wisdom have always been a source of comfort and guidance, providing solace in moments of uncertainty. Hitarth, your unwavering encouragement and boundless motivation have been a constant source of strength, guiding me through every obstacle with resilience and determination. You have always been my pillar of support, reminding me of my potential even in the most challenging moments. My husband, Krutarth, has been my rock, providing unparalleled support and inspiration at every turn. His constant belief in me and his ability to lift my spirits during tough times has been a source of immense strength. Krutarth's encouragement has kept me focused on my goals and driven me to continue striving for excellence. Sula Mummy, your inspiring belief in my potential and unwavering support have played a pivotal role in motivating me to pursue this journey. Your wisdom and

encouragement have been a source of great strength. Ajay Pappa, your wise counsel and enduring belief in my abilities have been a continuous source of motivation, while Shruti Mummy's nurturing care and unconditional support have touched every aspect of my life. Bhavanshi, you have been a true companion, offering solidarity and encouragement when I needed it most.

I am deeply grateful to my tutor, Chandrakant Shah, whose inspiring teaching and profound passion for mathematics sparked my interest and laid the groundwork for my academic journey.

I would like to express my deepest gratitude to Lord Hanumanji for his divine blessings, strength, and guidance throughout my Ph.D. journey. His unwavering presence and protection have been a constant source of inspiration, enabling me to overcome every challenge. I dedicate this work to Him, whose grace has made this achievement possible.

May the Divine grace continue to illuminate my path and inspire me to serve others with humility and compassion.

Lastly, I extend my heartfelt gratitude to all the directly and indirectly connected members of the faculty as well as the University for their support and encouragement throughout this transformative journey. Together, we have weathered storms and celebrated victories, forging bonds that transcend the confines of academia.
