

ACKNOWLEDGEMENT

I would like to take this opportunity to express my heartfelt gratitude to everyone who has supported me on my journey to reach this point in my life.

First and foremost, I extend my deepest thanks to my guide and esteemed advisor, **Prof. Krutika K. Sawant**, Professor at the Faculty of Pharmacy. Her unwavering guidance, insightful feedback, and inspiring mentorship have profoundly influenced me. Ma'am, your advice throughout my research has led to extraordinary experiences. Your wisdom, constructive criticism, valuable suggestions, motivation, and clear research direction will guide me in my future endeavors. I consider myself incredibly fortunate to have learned critical scientific thinking and effective manuscript editing under your supervision. I appreciate your constant inspiration, enthusiasm, and generous help. Thank you, Ma'am!

I would also like to express my gratitude to my co-guide, **Dr. Ajay J. Khopade**, Vice President & Head (FR&D-Non-Orals) at Sun Pharmaceutical Industries Ltd. His keen guidance, dynamic supervision, and unwavering encouragement have been invaluable throughout my research journey. His subject knowledge, logical thinking, intellect, meticulous support, and detailed feedback have helped me refine my ideas, achieve my goals, and complete this thesis. I am personally grateful and intellectually indebted to him for his exceptional scholarly contributions, which allowed me to approach my research with confidence.

I am deeply thankful to **Mr. Prashant Kane**, Sr. Vice President & Site Head, as well as **Dr. Subhas Bhowmick** and **Dr. Ganesh Sangaiah**, for inspiring me to pursue my Ph.D. and for supporting my admission.

I would also like to thank the Dean and Head, **Dr. Kirti V. Patel**, Professor at the Faculty of Pharmacy, for her support, guidance, and feedback.

My sincere appreciation goes to Dr. Dharendra Pratap Singh from ICMR-NIOH, Ahmedabad, for his constant support during my thesis work. I would also like to thank my research collaborator, Dr. Rajeev K. Tyagi, for his invaluable assistance in completing my studies in his lab.

I am immensely grateful to the senior management team and human resources department of Sun Pharmaceutical Industries Ltd. for enabling me to pursue my Ph.D. while maintaining my job.

I acknowledge and appreciate the support I received from various departments at Sun Pharmaceutical Industries Ltd. Special thanks to Mr. Arun Yadav and Mr. Kunal Pandya from API, R&D, for their help and cooperation.

I would like to express my profound gratitude to Mr. Ravishankar N and his team from the analytical department at Sun Pharmaceutical Industries Ltd. Additionally, I want to thank my LVP group colleagues Dr. Ashay, Dr. Mayank, Dr. Sachin, Dr. Neeraj, Dr. Jaydeep, Dr. Atharva, Mr. Nishit, and Mr. Milan for their assistance in compiling my thesis. I also appreciate my Ph.D. colleagues, Amit, Sachin, Mrunal, and Ami, from the Faculty of Pharmacy.

Last but not least, I want to extend my heartfelt thanks to my family for their unwavering support and encouragement as I pursued my dreams. Words cannot truly express my gratitude to my father and mother for their moral support, endless patience, and inspiration to face any challenges in life. I owe a special debt of gratitude to my wife, Dr. Prachi Pandey, for her constant love, support, and understanding during my Ph.D. journey, which made the completion of my thesis possible. They have selflessly sacrificed their personal time, especially on weekends, for my convenience, and I truly appreciate it.

Finally, I would like to thank everyone who has been involved, directly or indirectly, in the successful completion of my research work.

Samarth Kumar
