List of Tables

Table no.	Particulars of the table	Page no.
1.1.	Major area of soft skills classification and representative competencies from that area	22
3.1.	Research design (tentative) adopted for the present study	64
3.2.	Bricolage method of data collection adopted for the present study	69
3.3	Three Phase work schedule of Data collection	77
3.4.	Data analysis techniques corresponding to tools for data analysis	92
3.5.	Coding for the CLM	94
3.6.	Participant's codes	95
3.7.	Coding of the Soft Skills selected	95
3.8	Codes of the soft skills and their corresponding codes for components	96
4.1	Schedule of Cooperative Learning Lesson Planning	108
5.1.	Participant's Self-assessment of select soft skills at Entry level during the practice teaching phase	127
5.2.	Participant's Self-assessment of select soft skills at Terminal level at exit of CLM tasks based lessons	128
5.3.	Linguistics Analysis of Task Based Worksheets from individual participant	131
5.4.	Description of Grading system of seven point scale:	147

5.5.	Entry behaviour Performance on Soft Skill: 1- Reading Comprehension Skill [RCS]	148
5.6.	Entry behaviour Performance on Soft Skill: 2- Critical Thinking Skill [CTS]	151
5.7.	Entry behaviour Performance on Soft Skill: 3- Written Communication Skill [WCS]	154
5.8.	Entry behaviour Performance on Soft Skill: 4- Time Management Skill [TMS]	156
5.9.	Comprehensive Performance Assessment of Participants during CLM-1- Jigsaw Basic	159
5.10.	Comprehensive Performance Assessment of Participants during CLM-2 : CIRC	161
5.11.	Comprehensive Performance Assessment of Participants during CLM-3 : WPS	163
5.12.	Comprehensive Performance Assessment of Participants during CLM-4- TPS	165
5.13.	Comprehensive Performance Assessment of Participants during CLM-5 RTR	167
5.14.	Comprehensive Performance Assessment of Participants during CLM-6 AYN	169
5.15.	Comprehensive Performance Assessment of Participants during CLM-7- NHT	171
5.16.	Comprehensive Performance Assessment of Participants during CLM-8 –QA	173

5.17.	Comprehensive Performance Assessment of Participants during CLM-9- PW [Free composition]	175
5.18.	Comprehensive Performance Assessment of Participants during CLM-10- Jigsaw II [Degrees of Comparison]	177
5.19.	Comprehensive Performance Assessment of Participants during CLM-11- STAD [Prepositions]	179
5.20.	Comprehensive Performance Assessment of Participants during CLM-12 –GI [Reported speech]	181
5.21.	Performance Profile of P1	184
5.22.	Performance Profile of P2	188
5.23.	Performance Profile of P3	191
5.24.	Performance Profile of P4	194
5.25.	Performance Profile of P5	197
5.26.	Performance Profile of P6	200
5.27.	Performance Profile of P7	203
5.28.	Performance Profile of P8	206
5.29.	Performance Profile of P9	209
5.30.	Performance Profile of P10	212
5.31.	Performance Profile of P11	215
5.32.	Performance Profile of P12	218
5.33.	Performance Profile of P13	221
5.34.	Performance Profile of P14	224

5.35.	Terminal Behaviour Test [TBT]Performance on Soft Skill: 1- Reading Comprehension Skill [RCS]	227
5.36.	Terminal behaviour Performance on Soft Skill: 2- Critical Thinking Skill [CTS]	235
5.37.	Terminal behaviour Performance on Soft Skill: 3- Written Communication Skill [WCS]	242
5.38.	Terminal behaviour Performance on Soft Skill: 4- Time Management Skill [TMS]	248
5.39.	Data analysis of Cooperative skill Self-Assessment Rating Scale [CLSARS]	255
5.40.	Data Analysis of Reaction scale / Opinionnaire on Cooperative Learning strategy	259
5.41.	Strategy: 1: Triangulation of Data with Multiple cases-Codes-categories-patterns identified based on frequency of repetition –emerging themes	268
5.42.	Strategy: 2: Triangulation of Method of inquiry:	272
7.1.	Tentative research design adopted for the present study (Adopted from Sharma,1995; Ramkumar,2003 and Ramchandani,2017)	308
7.2.	Bricolage method of data collection adopted for the present study	312
