

ACKNOWLEDGEMENTS

I take this opportunity to express a deep debt of gratitude to Dr.M.B.Buch, Professor and Head, Centre of Advanced Study in Education, Baroda, for the interest he has taken in the conduct of the experiment.

I cannot but express my heartfelt thanks to my guide Dr.G.B.Shah, Professor and Head, Department of Education, Technical Teachers' Training Institute, Madras, for the perⁿennial inspiration and guidance I received.

I am grateful to Mr.A.K.Das for preparing sketches used in the programme.

My thanks are also due to all the Principals of the English medium secondary schools of the City of Baroda who were good enough to tolerate my frequent intrusions.

Lastly, I also thank the U.G.C. for the facilities and assistance that I received in undertaking the investigation.

Baroda,
