In this academic pursuit, I had the privilege of receiving the benevolent guidance of Prof. Sneha Joshi, Dean Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda, Baroda. At every stage of this work she has taken keen interest and provided exceedingly efficient consultation. I am greatly indebted to her and convey my sincere gratitude to her for the same. Her incessant guidance has been very inspiring and thought provoking. I take this opportunity to thank Prof. Sabnis Ex. Pro Vice Chancellor of M. S. University and an environmentalist for his help. My sincere thanks to Dr. Gunwant Oza Secretary General of INSONA, who inspired me to take a study in the area of Environmental Education. I owe my gratitude to Dr. Ashok Parikh for his painstaking efforts. I am thankful to Dr. Pradhan for all the help.

I am grateful to the Principal of Sharda Mandir School Baroda for providing facilities for experimentation. For my data collection I specially thank teachers, students of the schools of Baroda City.

I take the opportunity to thank Dr. Milind Shasrabuddhe, Dr. Ashutosh Biswal and Dr. Anjali Khirwadkar for the help sought. I also thank the experts for doing the needful at their earliest possible.

I take the opportunity to thank my family who have supported me in every way. By giving me much needed help in the house hold responsibilities. I express my sincere gratitude to my husband Mr. Girish Singh, for his continuous inspiration, guidance and co-ordinated co-operation at each moment of the work needed.
