AKNOWLEDGEMENT

I would like to take this opportunity to acknowledge the immense help and encouragement that has been given by many people during my research. At the outset, I would like to thank my parents and my family for giving a constant support and encouragement throughout my work, and for sharing my joy at its completion.

My research guide and my mentor Dr (Miss) S.L.Patel, Retd.,Reader of Education, has given me infinite help throughout this study. She helped me in giving constant support by spending long hours in discussion. I express my deep sense of gratitude and thankfullness to her for guidance,critical evaluation,encouragement and patience shown at every step of the study.

Dr (Mrs) I.M.Pandit, Retd. Reader in Psychology, has been by my side in making all the rough edges smoother and giving me many long hours of discussion for which I am very greatful to her.

My greatfulness to Dr (Miss) T. P. Lulla and Dr (Mrs)S.D.Patanker for their Valuable guidance and constant encouragement throughout the study.

I would like to extend my thanks to, Professor N.S.Pathak, Professor and Ex.Dean, Faculty of Education and

Psychology for givng his valuable time for discussing reseacrch methodology and its implications at every stage of the study.

Dr R.G.Kothari, Reader in Education and Dr Z.M.Quareshi who have provided timely guidance in solving some tricky statistical interpretations in research for which I am very greatful.

A very deep sense of gratitude to Dr (Mrs) Sharvari Mundkur, a true friend in deed, for providing the tool and related foreign studies from U.S.A.. Her constant warm encouragement and supprot always helped me in each step of this research work.

I would like to say a very special thanks to Shri Hargovindbhai P. Lulla for allowing me to administer the tools during the process of validation in his class. And of course, I am thankful to the students of standard IXth of Lulla class for sincerely responding to the inventories.

I am thankful to school principals, for cooperation given to me at the time of data collection without any hesitation and allowed me to administer inventories during school time in the classroom setting.

Thanks to all the students of IXth standard who have showed interest and answer the inventories with enthusiasm.

I deeply appreciate the guidance and support given by Professor S.C.Punalekar, Director, centre for social studies, Surat and Shri Vimalbhai Trivedi,Computer Programme officer,C.S.S., for the assistance given to me in computer analysis of entire data.

I would like to say a special thank to My friends Mrs. Ajita Shah and Mrs. Shaileja Shivji, who have been encouraging and inspiring me in the completion of the present study.

Thanks to Dean, Professor (Mrs) Sneha Joshi, Head,Professor D.R.Goal and all staff members of the Faculty of Education and Psychology for constant encouragement and support.

I sincerely appreciate the ever ready help of my brother Jignesh to bring this research work into composed form of a thesis by his personal utmost care,sincerity and spending his valuable time for this.

Lastly, my thanks to all my relatives and friends who helped me directly or indirectly and do not liked to be thanked but always there.

DIPTI J. OZA
