

A C K N O W L E D G E M E N T

I have great pleasure in placing on record my deep sense of gratitude to Prof. (Dr) D B Desai, my respected guide and Head, Centre of Advanced Study in Education, M S University of Baroda, for his able guidance at all levels during the preparation of my doctoral thesis.

I take this opportunity to express my sincere thanks to all the Principals and teachers of schools, pupils and parents but for whose co-operation and help the case-studies could not have been successfully completed.

I am specially indebted to my friends and others who were involved in the investigation at one stage of the others
