

<u>TABLE</u>	<u>PAGE</u>
11	t-values of means of scores on Academic Self-Concept: Performance based for various possible pairs of observations 172
12	Means, standard deviations and percentiles of scores on Academic Self-Concept: Reference-based on the six observations 175
13	t-values of means of scores on Academic Self-Concept: Reference-based for various possible pairs of observations 176
14	Means, standard deviations and Percentiles of scores on Sense of Control over Academic Performance on the six observations 179
15	t-values of means of scores on Sense of Control over Academic Performance for various possible pairs of observations 180
16	Means, standard deviations and percentiles of scores on Students' Instructional Mastery on the six observations 183
17	t-values of means of scores on Students' Instructional Mastery for various possible pairs of observations 184
18	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-1 on the six observations 187
19	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-1 for various pairs of observations 188
20	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-2 on the six observations 191
21	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-2 for various pairs of observations 192
22	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-3 on the six observations 194

<u>TABLE</u>	<u>PAGE</u>
23	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-3 for various pairs of observations 195
24	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-4 on the six observations 197
25	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-4 for various pairs of observations 198
26	Means, standard deviation and percentiles of scores on Teacher Relationship Perception Inventory for teacher-5 on the six observations 200
27	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-5 for various pairs of observations 201
28	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-6 on the six observations 204
29	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-6 for various pairs of observations 205
30	Means, standard deviations and percentiles of scores on Teacher Relationship Perception Inventory for teacher-7 on the six observations 207
31	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-7 for various pairs of observations 208
32	Means, standard deviation and Percentiles of scores on Teacher Relationship Perception Inventory for teacher-8 on the six observations 210
33	t-values of means of scores on Teacher Relationship Perception Inventory for teacher-8 for various pairs of observations 211
34	Means, standard deviations and percentiles of scores on Cooperation-Competition Inventory on the six observations 214

<u>TABLE</u>	<u>PAGE</u>	
35	t-values of means of scores on Cooperation-Competition Inventory for various pairs of observations	215
36	Positive and negative choices, both mutual and cross alongwith class cohesiveness index and acceptance level for the four different observations	219
37	Observation of Classroom teaching of teacher-1 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	229
38	Observation of Classroom teaching of teacher-2 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	234
39	Observation of Classroom teaching of teacher-3 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	237
40	Observation of classroom teaching of teacher-4 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	240
41	Observation of classroom teaching of teacher-5 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	243

<u>TABLE</u>		<u>PAGE</u>
42	Observation of classroom teaching of teacher-6 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	246
43	Observation of classroom teaching of teacher-7 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	249
44	Observation of classroom teaching of teacher-8 with particulars of teacher and student behaviours alongwith the observer's rating of student involvement with teaching-learning activity	250
45	Amount of time spent by individual students in personal study daily on an average both before and after the intervention	253
46	The break-up of student likes and dislikes for their teachers	256
47	Educational goals of the 47 students	268
