

LIST OF FIGURES, GRAPHS & SOCIOGRAMS

<u>FIGURES</u>		<u>PAGE</u>
1	Basic outline of the design of the study	45
2	Scheme for evaluating the facilitative quality of helper responses	70
3	Elements of communication	73
4	The "field" in which the helper works	93
 <u>GRAPHS</u>		
1	Means of percentages of academic performance scores plotted against the nine observations alongwith the trend line	156
2	Means of self-esteem scores plotted against the six observations alongwith the trend line	161
3	Mean scores on Passi Tests of Creativity plotted against the six observations alongwith the trend line	165
4	Means of scores on Motivation for Schooling plotted against the six observations alongwith the trend line	169
5	Means of scores on academic Self-Concept: Performance-Based plotted against the six observations alongwith the trend line	173
6	Means of scores on Academic Self-concept: Reference-Based plotted against the six observations alongwith the trend line	177
7	Means of scores on Sense of Control over School Performance plotted against the six observations alongwith the trend line	181
8	Means of scores on Students Instructional Mastery plotted against the six observations alongwith the trend line	185
9	Means of scores on Teacher Relationship Perception Inventory for teacher-1 plotted against the six observations alongwith the trend line	189

<u>GRAPHS</u>		<u>PAGE</u>
10	Means of scores on Teacher Relationship Perception Inventory for teacher-2 plotted against the six observations alongwith the trend line	193
11	Means of scores on Teacher Relationship Perception Inventory for teacher-3 plotted against the six observations alongwith the trend line	196
12	Means of scores on Teacher Relationship Perception Inventory for teacher-4 plotted against the six observations alongwith the trend line	199
13	Means of scores on Teacher Relationship Perception Inventory for teacher-5 plotted against the six observations alongwith the trend line	202
14	Means of Scores on Teacher Relationship Perception Inventory for teacher-6 plotted against the six observations alongwith the trend line	206
15	Means of scores on Teacher Relationship Perception Inventory for teacher-7 plotted against the six observations alongwith the trend line	209
16	Means of scores on Teacher Relationship Perception Inventory for teacher-8 plotted against the six observations alongwith the trend line	212
17	Means of scores on Cooperation Competition Inventory plotted against the six observations alongwith the trend line	216
<u>SOCIOGRAMS</u>		
1	Sociogram-1	221
2	Sociogram-2	223
3	Sociogram-3	224
4	Sociogram-4	226
