

## ACKNOWLEDGEMENT

I express my deep gratitude to my guide Dr.(Mrs.) N.A.Shelat who has been constantly encouraging me at every stage of this research work and also giving me enough autonomy to conduct the study as I wished to carry it out.

I also gratefully remember the cordial welcome I was accorded to by the authorities of CASE when I approached the Centre with a view to do the research here. The fellow researchers in CASE has been always sources of inspiration in this endeavour. I remember Rev.Fr.Aaron CMI, my then provincial superior who prompted me to come over to Baroda for this study, the late Rev.Fr.D.Karakal SJ, for his constant encouragement and support, the Jesuit community at Rosary School, for making my stay in Baroda comfortable and memorable and my friends and well-wishers in Baroda who were of great help to me in various ways.

I also thank the authorities of my parent institution, Sacred Heart College, Thevara, Cochin, who had kindly arranged to send me for higher studies under the FIP scheme. The assistance provided by the UGC by way of fellowship is also gratefully remembered. Above all, my gratitude is to God Almighty for His providential care for me throughout my life.
