

ACKNOWLEDGEMENT

Firstly I would like to express my gratitude to my research guide **Prof. Shubhangi S Soman**, for suggesting research problem, without whom this work would have been impossible to accomplish. Throughout my research, she provided me with invaluable guidance, continuous scientific help, encouragement, and affection which propelled me with the zeal and determination that were indispensable for this accomplishment. She always encouraged me. Her compassion and kindness made me realize how lucky I am to have her as my supervisor.

I thank **Prof. Anjali Patel**, Head, Department of Chemistry and **Prof. Neelima Kulkarni**, former Head, Department of Chemistry, Faculty of Science, The M. S. University of Baroda for providing laboratory and analytical facilities at the department.

It gives me immense pleasure to thank several people who stood by me all the time and helped me in a way to materialize my thesis. I would like to appreciate many people who made conscious effort to nurture my dreams and goals. I am also thankful to many others who laid the foundations of research during my post-graduation and as employee in industry. I wholeheartedly acknowledge each and every one in no particular order and I strongly believe I have not missed anyone.

I would like to indebted my gratitude to **Dr Rina Soni** for her sustained hospitality and care during my complete Ph. D. work; whenever I use to fail in getting product little words of motivation would cheer me to bounce back on track. I remember detailed discussion of many reactions helped me personally to grow my knowledge and understanding in the field of chemistry. She constantly helped and encouraged me in difficult times and been there whenever it was needed. I also thank my senior **Dr. Nirav shah** for his support and assistance.

I am thankful to **DST-FIST** and **Prof. S. R. Shah** for providing NMR facility in the Department.

Special thanks to **Dr. Rajesh Bahekar** for analytical analysis of synthesized compounds during the course of research.

I am thankful to **DST-PURSE** programme and **Prof. S. B Kumar** and **Dr Amar Ballabh** for X-ray single crystal facility in the department.

I am also thankful to **Prof. B. Suresh** and **Mrs. Shweta Umar**, Dept. of Zoology, Faculty of Science, for the MTT and other biological assay of the test compounds.

I gratefully acknowledge **Prof. Ashish Prajapati**, **Prof. Prasanna Ghalsasi** and **Mr. Kiran Nakum** for helping me to interpret data for liquid crystal study and **Mr Chirag Savani** for helping me to solve Single crystal data

I am especially thankful to **Dr. Vishwanath**, **Dr. Harnish**, **Dr. Kushan**, **Dr Mehul**, **Mr Hiten Raval**, **Mr Aditya**, **Mrs Priyanka**, **Mrs Nisha**, **Mrs Mohini**, **Ms Mayuri** and fellow researchers in the lab: **Dr. Kanu Kataria**, **Mr. Rudra Dave**, **Mr Bhushan Dave**, **Ms. Nandini Panchal** for their contributions to the fulfilment of this research.

I am also thankful to all the teaching and non-teaching staff for their continuous help and support.

I am grateful to my friends, **Mr. Ketan Makwana** who never failed to disappoint me with his constant help and guidance, **Mr. Madhur Shinde**, **Ms. Nirali Mishra**, **Mr Avinash Arjunan** they were catalyst who activated and galvanized me to the best.

I am grateful to my elder brother **Captain Mahesh Dutt Durgapal**, his better half **Mrs Richa Durgapal** and my little lawyer brother **Jayprakash Durgapal** who constantly inspired and pushed in right direction to face every difficulty with firm determination. They helped me persistently without doubting my capabilities and guided me in every walk of my life. I thank my nephew **Mr Reyansh Durgapal** my little bundle of joy for making me happy.

Last but not the least; I am thankful to my loving parent **Mr Keshav Durgapal** and **Mrs Janki Durgapal** who worked hard to support my dream and passion, their faith on me motivated and gave me inner strength to fulfill my goal. Their Prayers and blessing helped me from evils and made every journey of mine worthwhile.
