

## *List of Publication/ Conferences*

---

### **Publication:**

1. “*Synthesis, Characterization and Antimicrobial Activity of Some New Substituted Quinoline Hydrazones*” K. D. Katariya and S. R. Shah, *Der Pharma Chem.*, 2017, **9**, 94–100.

### **Paper presentation at national and international conferences:**

1. “*Synthesis and characterization of some new functionalised oxazole containing compounds and their anticancer activity*” 22<sup>nd</sup> ISCB-Indian Society of Chemists and Biologists, International Conference on Recent Trends in Affordable and Sustainable Drug Discovery and Developments, Uka Tarsadiya University, Bardoli, Surat, Gujarat, 6-8 Feb. 2016.
2. “*Diverse Approaches to Synthesis of 2-Aryl-4-formyl-1,3-oxazoles and Their Utilization in the Synthesis of Oxazolyl Heterocycles*” IUPAC 21<sup>st</sup> ICOS, International Conference on Organic Synthesis, IIT Bombay, Mumbai, India, 11-16 Dec. 2016.
3. “*Synthesis of Oxazole Substituted New Isoxazolines and Pyrazolines as Potential Bioactive Compounds*” National Seminar on Frontier Areas in Chemical Sciences, Department of Chemistry, The M. S. university of Baroda, Vadodara, Gujarat on 19<sup>th</sup> March, 2016.

### **Conferences participated:**

1. “*National Conference on Chirality-2013*” Organised by Department of Chemistry, The Maharaja Sayajirao University of Baroda, Gujarat during 7,8 Dec. 2013.
2. “*National Workshop on X-ray Crystallography*” organised by The Department of Chemistry, The M. S. university of Baroda, Vadodara, Gujarat during 19-25 Jan. 2015.
3. “*National School on NMR Spectroscopy*” organised by The Department of Chemistry, The M. S. university of Baroda, Vadodara, Gujarat during 18-23 Sept. 2015
