## *Declaration*

The work embodied in this thesis titled “*Synthesis and Characterization of Some New Oxazole Containing Heterocyclic Compounds and Study of Their Biological Activities*” was carried out under the supervision of **Professor Shailesh R. Shah** at the Faculty of Science, Department of Chemistry, The Maharaja Sayajirao University of Baroda, Vadodara 390 002. This research work has not been submitted for any other degree or diploma or other academic award of this or any other university. In keeping with general practice of reporting scientific observations, due references have been made to previous works of other investigators.

**Kanubhai D. Katariya**
