

Acknowledgement

This thesis is the last step of my Ph.D. journey. The work presented in this thesis could not have been accomplished without the help of my mentor **Prof. Bhavna Trivedi**, several individuals including my well wishers, my friends and colleagues. At the end of my thesis, it is a pleasant task to express my deep sense of gratitude to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

First and foremost I am overwhelmed with gratitude of **Mother Nature** for always being together and eliminating all obstacles from my path and bestowing me with powers, unconditional love and bliss.

I am highly grateful to my **Father, Mother, Brother and Sister** for always being highly supportive.

With immense pleasure, I am expressing my sense of gratitude to my esteemed guide **Prof. Bhavna Trivedi** for her immaculate guidance and systematic constructive criticism during the present investigations. I am indebted to her for the many privileges and boundless compassion showered upon me throughout the research tenure. I run short of verbal expressions to encapsulate my feelings for her.

I am profoundly obliged to our respected Head, **Prof. Neelima D. Kulkarni**, and former Head, **Prof. B.V. Kamath**, Department of Chemistry, Faculty of Science, M S University of Baroda for extending all the laboratory facilities to me.

The assistance rendered by **Prof. M. Daniel, Dr. P. S. Nagar**, Dept. of Botany, Faculty of Science, M. S. University of Baroda and **Dr. Denni M. Daniel**, Dept. of Chemistry, M S University of Baroda for their valuable inputs and teaching the basic of pharmacognosy, plant taxonomy and phytochemistry were of profound use. Their

Acknowledgement

constant guidance and permission to use all instruments like UV-Vis spectroscopy, GC and HPLC. I am grateful to them.

For pharmacognosy studies and allowing us to use Leica DM 2000 microscope, once again I heartily thank to **Prof. M. Daniel, Dr. Denni M. Daniel and Dr. Kishore S. Rajput.**

The support and help rendered by **Prof. Manish Nivsarkar**, Dr. B.V. Patel Pharmaceutical Education Research & Development (PERD) Institute, S.G. Highway, Thaltej, Ahmedabad for collaborative clinical studies and providing lab facilities for my research study is gratefully obliged.

I am highly thankful to **Dr. Ranjeet Dash, Dr. Mehul Jivrani, Dr. Sandip Rathod**, Dr. B.V. Patel Pharmaceutical Education Research & Development (PERD) Institute, S.G. Highway, Thaltej, Ahmedabad for assisting in all clinical studies and guidance in animal handling and testing.

Dr. Satyanshu Kumar and **Tushar Dhanani** support are highly acknowledged for assisting in different extraction techniques.

I am highly obliged to **Dr. Rajeshwari Rathod**, Dr B.V. Patel Pharmaceutical Education Research & Development (PERD) Institute, S.G. Highway, Thaltej, Ahmedabad, **Abhishek Pathak** and **Pradeep Khirade** Dr. Vikram Sarabhai Science Block, Faculty of Science, M S University of Baroda, Vadodara and **Prof. Brijesh Kumar**, CDRI Lucknow, Uttar Pradesh for LCMS-MS facilities.

I am even thankful to **Himmat Kaka, Maruti More** and **Paresh Patil** for the cultivation of *Carica papaya* and **Kanu kaka** and **many other farmers** who helped me for collection of plant material and for the necessary ecological information.

I would like to thank all the in-charge teachers and instrument committee members of the different instruments, especially **Prof. S. R. Shah, Dr. Harish Talele, Dr. Arpita**

Acknowledgement

Desai, Dr. Nilesh Jain for NMR facility, **Dr. P. B. Samnani**, for HPLC facility, **Prof. A. V. Bedekar and Mehul Sadhu** for IR analysis.

I am very much thankful to **Dr. Ankita Solanki** for collecting single crystal data of Carpine and for her valuable suggestions for improving crystallographic part of my thesis.

I wish to thank my friends and research colleagues **Viraj Bhanvadia, Harnish Soni, Dr. Kushan Parikh, Kanu Kataria, Ronak Bhatt, Rahul Bhatt, Dr. Jigar Y. Soni, Dr. Jigar N. Soni, Sunil Dutt, Dr. Shardul Bhatt, Mr. Prabakaran, Dr. Puran Singh Rathore, Dr. Mayur Valodkar, Dr. Shilpi Kushwaha, Dr. Ageetha, Mohini Sadhu, Dr. Sanjay Parihar, Dr. Komal Vyas, Kiran Nakum, Heta Patel, Ramadevi Pulipaka, Dr. R.B. Yadav, Dr. Sachin Joshi, Dr. Nilesh Patel, Dr. Mahendrasinh Zala, Dr. Ankita Solanki, Mehul Sadhu, Ishani Sahay, Dr. Hemant Mande, Khusbu Bhandari, Dr. Ashok Viswakarma, Dr. Harsha Patel, Dr. Namarata Dixit, Dr. Priyanka Yadav, Dr. Arti Bhadoriya, Dimple Shah, Dushyant Reddy, Nishant Anasane, Umesh Trivedi, Dr. Reena, Dr. Radhika Baloni, Dr. Varsha Brahmkhatri, Dr. Harish Talele, Dr. Nilesh Jain, Dr. Akeel Saiyad, Dr. Krupa Patel, Dr. Shyam Sundar, Dr. Ketan Patel, Dr. Soyeb Pathan, Nilesh Narkhede, Dr. Tarun Parangi, Dr. Brijesh Shah, Hiten Raval, Sanjay Yadav, Aditya Khanvilkar**. I had very useful discussions with them on both academic and non-academic matters and had enjoyable time.

My sincere thanks are extended to my friends **Mukesh Kumar, Ramakant Main, Kiran Pal Singh** (DGIST South Korea), **Indravadan Parmar** (NCL Pune) for support and constant encouragement in the process of my research.

The non-teaching staff members of Chemistry Department (**Mrs. Revathi Ganeshan, Mr. D. R. Bhavsar, Mr. Rane, Mr. N. Mehta, Mr. Kalpesh Bhavsar, Mr. J. Brahmhatt, Mr. Dinesh, Mr. Vasant, Mr. R. Mali, Mr. Makwana, Mr. Rathwa, Mr. Deepak, Mr. Shivaji, Mr. Satish, Mr. Dhuru, Mr. V. Mali and Mr. Rawal**) and

Acknowledgement

Botany Department, Faculty of Science, M S University of Baroda, Vadodara have been very supportive and co-operative during the entire course of my research work.

CC Shroff Fellowship and **University Grant Commission - Rajiv Gandhi National Fellowship (UGC-RGNF)** Government of India, is acknowledged for financial assistance.
