

# Acknowledgements

Completion of this doctoral work was possible only with the support of several people. Well, the list of people will not be able to accommodate in this page of acknowledgement. I would mention appreciation of those people whose contribution was obvious.

Finishing PhD thesis was a challenging task of my life. The best and worst moments of the doctoral journey was shared with many people around me. I am thankful to the Department of Chemistry, Faculty of Science for allowing me to work and providing the research facilities.

First and foremost I offer my thanks to my guide **Dr. Hemant Soni** for helping, guiding and patiently supporting me throughout my doctoral programme. I am grateful to our head **Prof. N. D. Kulkarni** for extending her help whenever we needed. I take this as a great opportunity to express my indebted thanks to all faculty members who have helped me in this course of time. I owe a lot to **Prof. B.V. Kamath**, former Head, for this achievement. My sincere appreciation goes to **Professor Rashidabegum**, Biochemistry Department, for giving an opportunity to work in her laboratory, for her scholarly inputs and involvement. I extend my thanks to **Dr. P.K.Mehta**, Physics department, for carrying out XRD analysis and study conductance in their department. I am profoundly thankful to **Dr. K. S. Agrawal**, Faculty of Engineering and Technology, for his support to pursue the degree. I would also like to thank **Prof. P. T. Deota**, Head at Faculty of Engineering & Technology. I received generous support from my head **Mrs. Mary Yohannan** and **Dr. R.R.Darji** at Polytechnic during the course of programme.

I would also like to extend my thanks to **Professor S.R. Shah** for NMR facility, **Prof. A.V. Bedekar**, **Prof. Samnani**, **Prof. P. Padmaja**, **Vinay Singh sir**, **Arpita madam**, **Sonal madam** and all the faculty members for their kindness and support.

I shall ever, remain indebted to all my present and former teachers, to all known and unknown people who have enlightened me with their knowledge.

I would like to express my sincere thanks to **Vandana Madam**, Metallurgy department, Faculty of Engineering and Technology, for rendering her advice, for her kindness and friendly support for techniques like SEM and EDX facilities. I am grateful to **Bharati Rehani madam**, Metallurgy department, Faculty of Engineering and Technology, for helping me to coat silver on slides for SEM analysis.

I am thankful to SICART, V.V. Nagar, Anand, to provide the best techniques like TEM and XRD without any delay. I would extend my thanks to Mr. Vikas Patel for providing his helping hands in the work.

I express my gratitude to **Bharati madam, IIT Bombay**, SAIF for providing FE-SEM imaging facility. With this I would extend my gratitude to **Muthu Kumaran sir, IIT Chennai**, SAIF for VSM analysis.

Special thanks to my friends **Priyanka, Nishant, Harsha, Namrata, Arti, Sanjay, Umesh, Khushan, Rinky, Rama, Puran, Shardul, Nilesh, Krupa, Akeel, Shyamsundar, Harnish, Komal, Hemant, Ajita** and many more. I am very much thankful to my all my colleagues at polytechnic.

I would like to offer my special thanks to **Mala, Tina, Shoiab, Kriti, Laddha, Manish and Ashlesha** from Biochemistry Department for providing their selfless help.

This achievement would not have been possible without persistent moral support, encouragement and research inputs of my husband **Sanjiv**.

My nine years daughter **Sachika** has always been my constant inspiration and had always supported me through my hectic schedule.

I wish to express my heartfelt thanks to my mother **Mrs. Bharati Shah and my brother Yatrik** for providing their unconditional support and would thank my father **Dr. Vipinchandra Shah** who has always been my driving force. I owe him and wish I could show him how much I love and appreciate him. I hope this work makes him proud.

My heartfelt regard goes to my father in law, mother in law and sister in law **Amrita** for their love and moral support.

Last but not the least; I thank my friends **Suchita, Chikal, Anuradha, Swati** and **Purvi** for their constant support, encouragement and for being my friends.

(Ekta Shah)
