

DECLARATION

I hereby declare that the matter embodied in the thesis entitled "*Synthesis, Characterization, Crystal Structure and Biological Evaluation of Schiff bases and their Metal Complexes*" has been carried out by me under the guidance of **Dr. Rajendrasinh N. Jadeja**, Asst. Professor, Department of Chemistry, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat, India. I also affirm that this work is original and has not been submitted under similar title either as a whole or in part for any other Degree, diploma, associateship or fellowship either by me or by any other candidate of any other University or Institute.

It is further declared that the present Thesis does not contain materials previously published. The intellectual content of this thesis genuinely represents the original work carried out by me. Any contribution made to the research by others by way of collaboration has been explicitly cited and acknowledged all through the thesis. Any contribution which might have been overlooked due to error is regretted.
