

ACKNOWLEDGEMENTS

This thesis is one of the steps for the end of my journey in obtaining my Ph.D. I have not travelled in a vacuum in this journey. It gives me immense pleasure to acknowledge all those who have contributed to the fructification of my research. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my teachers, my well wishers, my friends, colleagues and various institutions. At the end of my thesis, it is a pleasant task to express my thanks to all those who have contributed in many ways to the success of this study and made it wonderful experience for me.

Although the words are inadequate to express my feelings, first and foremost, I am deeply grateful for the continuous support, insight and patience of my supervisor, Dr Ashutosh V. Bedekar, Associate Professor, Department of Chemistry, Faculty of Science, without his constant trust and, sometimes, gentle prodding, this thesis would not have been completed. I will always remember him as teacher of high repute with farsighted ideas, exemplary guidance and help in all possible means which have not only made research work exciting, but also infused confidence in myself to tackle any problem. The passion and enthusiasm he has for research was motivating me, even during tough times in this project. I successfully overcame many difficulties and learned a lot under his guidance. I am heartily thankful to him for giving me an opportunity to work under his invaluable guidance.

With lots of gratitude I would like to thank Prof. N. D. Kulkarni, Head, Department of Chemistry for providing the infrastructural facilities for my research work.

I gratefully acknowledge Prof. B. V. Kamath, Former Head, Department of Chemistry, for his understanding, encouragement and personal attention which have provided good and smooth basis for my master's degree as well as Ph.D. tenure. The road to my Ph.D. started with the encouragement and educational support of Kamath Sir.

I have immense gratitude towards the involvement of Prof. Surekha Devi, Former Head, Department of Chemistry, for development of my career and encouragement for joining research. I am deeply thankful to Devi madam for showing confidence in myself.

I take this opportunity to sincerely acknowledge Gujarat Narmada Fertilizers Corporation, Bharuch as well as University Grant Commission, New Delhi, for providing financial assistance which has made my way smooth to perform this work comfortably.

I am deeply grateful to my lab colleagues Dr. Harish Talele, Mrs. Anju Chaudhary Desai, Mr. Nilesh Jain, Mrs. Krupa Patel, Mr. M. Shyam Sundar, Mr. Aditya Khanvilkar, Mr. Jigar Joshi, Ms. Reshma Joshi, Ms. Riddhi Gupta, Dr. Poonam Yadav, Mr. Nilesh Patel and for their help, co-operation, fruitful discussions and support during my Ph.D. work.

I express my thanks to Professor S. R. Shah for NMR analysis, Dr. P. B. Samnani for HPLC analysis, Dr. Arun Patel, Dr. A. A. Ajmeri and all other members of teaching staff for their support and encouragement. My sincere thanks to Dr. P. Padmaja for supportive discussions while using GC-MS instrument.

I extend my thanks to Dr. Sibaprasad Sahoo, Mr. Nisarg Desai, Mr. Saumik Dhara and Mrs. Khushbu Bandwala (Sun Pharma Advance Research Centre, Vadodara) for recording some H-NMR and Microanalysis. I would like to thank Dr. Avtar Singh, SAIF, Chandigarh, and Head, NMR Centre (IISc, Bangalore) for recording many H-NMR spectra.

I express my thanks to Mr. Jayaraman Kannappan and his analytical team led by Mr. Satyendra Yadav of Apicore pharmaceuticals Ltd. for providing HPLC analysis.

I would also like to thank Mr. Sabbir Chimanwala for his constant encouragement and creative discussions. I would also like to thank Mr. Gautam Patel, Research Scholar, Department of Applied Chemistry, Faculty of Technology and Engineering for performing FTIR analysis of some of my samples.

My heartfelt thanks to all non-teaching staff members especially Mrs. Revathi Ganesh, Mr. D. R. Bhavsar, Mr. Kailash Rane, Mr. Ninad Mehta, Mr. Hitesh Raval, Mr. Rajesh Shah, Vasant bhau, Lokhande bhau, Dinesh bhau, Sunil bhai, Rajesh bhai, Raju bhai, Dipak bhai, Mahesh bhai, Kalpesh bhai, Mr. Vinod and all other members for their timely help. I would also like to thank Late Mr. Suresh Patel for his help. This list cannot be completed without mentioning the name of Mr. Jayesh Bhrahambhatt (Bhrahambhatt bhai) for his help and refreshing talks.

Dr. Sachin Joshi and Dr. Ran Bahadur Yadav also need to be acknowledged because of their inspirational support during my master's degree as well as in my research work.

I would also like to extend my huge and warm thanks to my departmental colleagues for their help and cooperation during my work. They are Mr. Soyeb Pathan, Mr. Harnish Soni, Ms. Komal Vyas, Mr. Hemant Mande, Mr. Dushyanth, Mr. Sanjay Parihar, Ms. Rama, Ms. Ishani, Mr. Nilesh Narkhede, Ms. Sukriti, Ms. Shreepa, Mr. Kushan, Mr. Shardul, Mr. Puran, Mr. Vinay Kadam, Ms. Arti, Ms. Priyanka, Mrs. Radhika, Ms. Ruchita, Mr. Jigar Soni (both), Mr. Nishant, Mr. Vishwanath, Mr. Viraj, Mr. Kanu, Mrs. Ekta Tomar, Mrs. Rinky, Ms. Namrata, Ms. Harsha, Mr. Mehul, Ms. Heta, Ms. Vineeta, Ms. Ankita, Mr. Rahul Kadu, Mr. Rahul Bhatt, Mrs. Ageetha, Mr. Ketan Patel, Mr. Jayveer, Mr. Sanjay, Dr. Shilpi Kushwah, Dr. Tirth Thakar, Dr. Poonam Yadav, Dr. K. S. Kumar, Dr. Pragati Joshi, Dr. Angshuman Pal, Dr. Sunil Shah, Dr. Mahendra Zala, Dr. Ashok Vishwakarma.

I would also like to acknowledge Mr. P. Surendran, Mr. M. S. Bhatt, Mr. C. S. Panchal, Mr. R. K. Chaterjee (Heavy Water Plant, Baroda) for their constant encouragement and inspirational talks.

My special thanks to Late Khubmiya sahab Saiyed (Abba, great grandfather), Late Khujadibibi Saiyed (Amma, great grandmother), Late Nassiruddinmiyan Saiyed (Bavajaan, paternal grandfather), Late Bilkishbanu N. Saiyed (Ammijaan, paternal grandmother), Saiyed Nassirudinmiyan (Abba, maternal grandfather), Late Fatemabibi N. Saiyed (Amma, maternal grandmother) and Shri S. B. Saiyed for their blessings.

Mr. Iqbal Saiyed (Khalusahab), Mrs. Fehmida I. Saiyed (Aunty), Mr. S. Meeranji (Dadauncle, Bangaluru), Mrs. Mumtaz M. Saiyed (Mom, Bangaluru) as well as my cousin brothers Mr. Ikram Saiyed and Mr. Siraj Saiyed, my cousin sisters Farzana Saiyed and Nafisa Siddik (Bangaluru) are also the part of the list of my acknowledgements for their constant moral support and encouragement. This list could not be completed without the name of my in-laws, Dr. Saiyed Ali Saiyed (Head, Department of Business Economics, M. S. University of Baroda) and Mrs. Kulsum S. Saiyed for their encouragement.

Without any doubt, I am extremely indebted to my parents Shri Shakeelahmed N. Saiyed & Smt Rasheda banu S. Saiyed, who have always been my side through all the ups and downs of my life and have constantly encouraged and staunchly supported me during the diverse times. Dear “Ammi” and “Pappa”, it is hard to express my thanks to you in words. Your understanding, faith, advice, intellectual spirit and indescribable support to me throughout my life are invaluable. I am very grateful about your care, love, affection and trust in me, and further thank you for your constant interest and positive stimulation.

Most importantly, my heartfelt thanks to my sister, Kehkashan Fouzeeya S. Saiyed for making me feel special in every stage of my life and stood behind me to boost up to achieve my targets. She really always made me feel “Best Brother” in the world.

Words are short to express my deep sense of gratitude and love to my better half, Mrs. Shafak A. Saiyed for her unfailing and loving support as well as irreplaceable assistance. I heartily appreciate her understanding and quality of standing up right behind me to support during the last but extremely important phase of my research work. It is my fortune to acknowledge the arrival of my son “AZLAN” who brought joy and happiness to my life towards the end of my thesis work.

I would also like to express my gratitude to all those whom I may have failed to mention above, but nonetheless have contributed to my research studies in one way or the other.

Above all, I have no words to thank the ALMIGHTY GOD, religious preachers for giving me inspiration and sustainable strength and easing my difficulties and opening the doors of success to contribute the society.
