

ACKNOWLEDGEMENT

I thank my guide, Dr. S.D. Patankar, for initiating me into the intricacies of educational research, the unlimited academic freedom I enjoyed, and her incredible patience and support throughout the course of this project.

I remember with gratitude, the discussions I have had with Prof. S.Roy, retired Head, CASE who was a vital source of strength for me in conducting this type of study

I thank Prof. D.R. Goel Head CASE for providing me with the necessary support for my study

I am grateful to Mrs. Saroj Padhye, retired Librarian, CASE, for her invaluable service as reference Librarian.

Thanks are more than due to Mr. Mohsin and other RDP-9 officials at Rangpur, Bangladesh, who were very generous with their time and resources, and for their ungrudging co-operation during my field visits.

I thank all the interview respondents for readily sharing their time and adding more meaning to this study.

I am thankful to my friends Sumitha, Nandini, Eisha, Ramchandra Rao for sharing and helping me with their valuable suggestions at various stages of my research.

The love and affection bestowed on me by my late mother, father, brother, sister and my friend late Mridul Guhai Farrok has been a vital force that enabled me to undertake and complete this study.

Finally, I can not forget the efforts of the staff of Reliance Computer Solutions and Services for their technical assistance at a very crucial time of this thesis typing.
