

INTERVIEW SCHEDULE FOR CHILDREN
(High and low gainers)

Hello, _____ is your name.

1. Did you like the programme that I conducted in your class ?
2. Can you tell me, if there were any difficulties that you faced, during the programme ?
3. Can you tell me, while taking the programme at school, did your behaviour at home change ?
4. If there was, give me the reasons ?
5. What were the reactions of your parents for such a change ?
6. When you were giving some unusual or original response what were the reactions of your friends and neighbours ?
7. What was your feeling when somebody commented on your ability/inability to give original response ?
8. While taking the programme or after taking the programme, what were/are the interests that you pursued/persuing ?
9. Do you find it fun to imagine ?
10. Do your parents encourage your coining new words, funny twists to ideas, writing poems etc. ?
11. Who, of all the people, do you think has encouraged your creative abilities ? Mother / Father / Teacher ... any other ?
12. Among the creative activities that I gave, did you like any one of the activities very much ? If Yes, why ?
13. Can you relate an early childhood experience of yours which supported your creativity ?

14. Tell me an early childhood experience which hindered your creativity ?
 15. Do you sit still and concentrate on anything you like ?
 16. Do you read childrens' stories that appear in magazines ?
 17. Do you like sitting quietly and imagining many things on the problem that is given ?
 18. Do you like sitting and imagining what you would become in future or what objects you would possess etc. ?
 19. What will you do, if I give a problem now ?
 20. Will you be satisfied as soon as you find an answer or still search for more solutions ?
 21. Are you curious about new things and ask inquisitive questions about them ?
