2.c.	Obstacles which impede the growth of Social studies in proper perspective in the light of realizing the objectives of teaching social studies.	12
2.d.	Attempts made for studying the problem.	18
1.3	Need of present study.	21-24
1.4	Theoretical foundation to justify Integrated Approach to the teaching of Social studies.	24-29
4.a.	Philosophical Foundation.	24
4.b.	Psychological Foundation.	25
4.c.	Sociological Foundation.	28
1.5	Statement of the problem.	29-30
1.6	Definition of the Terms.	30-56
6.a.	Concept of Social studies.	30
6.b.	Integrated Approach.	40
6.c.	Performance.	54
1.7	Objectives of the Study.	56-57
1.8	Significance of the present problem.	57-60

1.9	The scope of the present study.	60-64
	9.a. Assumptions of the present study.	60
	9.b. Limitations of the present study.	61
1.10	Scheme of the Chapter.	64-65
1.11	Conclusion.	65-66
1.12	References.	67-70

CHAPTER II

REVIEW OF RELATED LITERATURE

2.1	Introduction.	71-74
2.2	Foreign Studies.	74-95
	2.a. Historical Development of the subject Social studies.	74
	2.b. Contributions by the studies to the Organization of the Content of the subject Social studies.	82
	2.c. Contributions by the studies to the Teaching Strategy of the subject Social studies.	87
	2.d. Contributions by the studies to the Instructional Materials of teaching Social studies.	91
2.3	Indian Studies.	95-105
	3.a. Contributions by Individual studies.	95
	3.b. Contributions by the studies conduc- ted on Departmental level.	98
2.4	Conclusion.	105-106
2.5	References.	107-116

CHAPTER IIITHE PLAN AND PROCEDURE OF THE STUDY

3.1	Introduction.	117-118
3.2	The Hypotheses.	118-119
3.3	The Procedure.	119-145
	3.a. The sample.	120
	3.b. The Experimental Design.	122
	3.c. Tools used for Measurement.	134
	3.d. Tools employed in the present study.	141
3.4	Statistical techniques used for the analysis of the Data.	145-147
3.5	Conclusion.	147
3.6	References.	148

CHAPTER IVDEVELOPMENT OF TOOLS: INSTRUCTIONAL STRATEGY, ACHIEVEMENT TEST

4.1	Introduction.	149-151
4.2	Development of Integrated Social Studies Course : Integrated Syllabus of Social studies.	151-175

2.a.	Introduction.	177
2.b.	Some general growth characteristics and their implications on the present sample.	177
2.c.	The Plan for teaching the units.	180
3.3.	Procedural aspect of the development of the plan for the teaching the units.	184
4.4	Development of the Teaching Strategy.	187-224
4.1.	Introduction.	187
4.2.	Theoretical aspect of the development of the Teaching Strategy.	187
2.a.	Foundation of the formulation of the teaching strategy.	187
2.b.	Some considerable requirements for formulating the teaching strategy.	191
2.c.	Steps of the new strategy and time allotted to each activity.	200
2.d.	Description of each activity (step) of the new teaching strategy.	202

4.3.	Procedural aspect of the development of the Teaching strategy.	211
	3.a. Try out and modifications.	211
4.4.	Salient features of the new Teaching strategy.	219
4.5	Development of the Achievement Test.	225-240
5.1.	Introduction.	225
5.2.	Theoretical aspect of the development of the test.	225-233
	2.a. Definition of instructional objectives and selection of the content.	225
	2.b. Table of specifications.	228
	2.c. Composing test items.	230
	2.d. Reviewing and editing the items.	232
5.3	Procedural aspect of the development of the test.	233
	3.a. Try out of the test.	233
	3.b. Item analysis of the achievement test.	235
	3.c. Blueprint of the test.	238
	3.d. Final form of the test.	239
4.6	Conclusion.	241-242
4.7	References.	243

CHAPTER V

EXPERIMENTATION, ANALYSIS AND INTERPRETATION OF THE DATA

5.1	Introduction.	244-251
5.2	Try-out study.	244
	2.1. Objectives of the try-out study.	244
	2.2. Sample.	245

2.3. Selection of the Unit.	245
2.4. First Try-out and Modifications.	246
2.5. Second Try-out and Modifications.	249
5.3 The Final Experimentation.	251-260
3.a. Conduct of the Experiment.	252
5.4 The Results.	261-285
4.a. Change in Achievement performance during the experimentation.	261
a.1. Interpretation and conclusion.	266
4.b. Change in Achievement performance.	
b.1. Results of the pre-test scores.	267
b.2. Results of the post-test scores.	269
b.3. Testing the Hypotheses on the obtained Gain scores.	272
5.5 Some observations of the Experimentation: Relative effectiveness between Achievement performance and intelligence levels.	287-291
5.6 Conclusion.	291-292

CHAPTER VI

SUMMARY, CONCLUSION AND SUGGESTIONS

6.1 Introduction.	293
6.2 Summary of the study.	293-301
2.a. The Problem.	293
2.b. Objectives of the study.	294
2.c. Significance of the study.	294
2.d. Brief Review of the previous studies.	296
2.e. The Plan and Procedure.	297
2.f. Final experiment and Major Findings.	299

6.3	Conclusion.	301
6.4	Suggestions.	301A-306
	4.a. Suggestions for concerned Agencies.	301A
	4.b. Suggestions for Further Study.	305
