

LIST OF TABLES

CHAPTER I

- | | | |
|----|--|----|
| 1. | Components of Social Studies. | 8 |
| 2. | The pattern of Social studies course in different states. | 9 |
| 3. | Operational objectives and their specifications and Evaluation Tools to measure specific objectives. | 53 |

CHAPTER III

- | | | |
|----|---------------------------------------|-----|
| 4. | Mean scores of the Intelligence Test. | 123 |
|----|---------------------------------------|-----|

CHAPTER IV

- | | | |
|----|--|-----|
| 5. | Combination of Basic Elements of Methods and Basic Types of Learning Experiences of new developed teaching strategy. | 189 |
| 6. | Table of specifications for Achievement Test. | 229 |
| 7. | Form of Test items and objective to be evaluated. | 231 |
| 8. | Information of the Item Analysis of the Achievement Test. | 235 |
| 9. | Achievement Test: Blue print of the Final form of the Test. | 238 |

CHAPTER V

- | | | |
|-----|--|-----|
| 10. | Periods Allotted to each step of New strategy and Periods actually required to each step during the Experimentation. | 254 |
| 11. | Arrangement of the Observation. | 260 |
| 12. | Mean score of the achievement of the Unit Test in the Total Performance. | 262 |
| 13. | Mean score of the Achievement of the Unit Test in Knowledge and comprehension. | 263 |

14.	Mean score of the Achievement of the Unit Test in 'skills'.	264
15.	Mean score of the Achievement of the Unit Test in 'Attitudes'.	265
16.	Mean score of the Achievement on Pre-Test.	268
17.	Comprehensive Picture of the Performance: Mean score of the Achievement on Post-Test.	270
18.	Mean of the Gain score of the Achievement in Total Performance.	272
19.	Mean of the Gain score of the Achievement in the Knowledge and comprehension.	275
20.	Mean of the Gain score of the Achievement of the Skills.	279
21.	Mean of the Gain score of the Achievement in 'Attitudes'.	282
22.	Consolidated statistical picture of Four Ogives representing scores made by Experimental and Control groups on Gain scores of different variables in Achievement Test.	284
23.	Raw scores of the pupils whose I.Q. is above average and whose I.Q. is below average.	287
24.	Relative Effectiveness of the Mean of the Gain score of Achievement; performance and the Intelligence level.	288
