

## LIST OF FIGURES

### CHAPTER I

1.	Elements of Social Studies.	38
2.	Fusion.	42
3.	Correlation.	43
4.	Integration.	45

### CHAPTER V

5.	Frequency polygon representing number of scores from interval to interval of four Unit Tests scores in Total Performance.	262
6.	Frequency polygon representing number of scores from interval to interval of four Unit Tests scores in Knowledge and Comprehension.	263
7.	Frequency polygon representing number of scores from interval to interval of four Unit Tests in 'Skill'.	264
8.	Frequency polygon representing number of scores from interval to interval of four Unit Test scores in 'Attitude'.	265
9.	Ogive Representing scores Made by Experimental Group and Control Group scores of <u>Total Performance</u> in Achievement Test.	274
10.	Ogive Representing scores made by Experimental Group and Control Group on Gain scores of <u>Knowledge and Comprehension</u> in Achievement Test.	277
11.	Ogive Representing scores made by Experimental Group and Control Group on Gain scores of <u>Skills</u> in Achievement Test.	280
12.	Ogive Representing scores made by Experimental and Control Groups on Achievement Gain scores of <u>Attitudes</u> in Achievement Test.	283
