

ACKNOWLEDGEMENTS

That I am grateful to my Research Guide, Dr. R. Govinda, Centre of Advanced Study in Education, M. S. University of Baroda goes without saying. His contribution in terms of scholarship, guidance, and patience is immeasurable. I am indebted to him.

My grateful thanks are also due to Dr.D.B. Desai, Dean Faculty of Education and Psychology, M.S. University of Baroda and Dr.M.S. Yadav, Centre of Advanced Study in Education for providing the necessary administrative support for carrying out this work.

I am also thankful to Dr.Dhruvakumar A. Joshi, Dr.N.C.Biswas, Ratan Das, and also to all my friends at the Centre of Advanced Study in Education for their help during my work on this thesis. I owe a great deal to Experts, Education Officers, Teachers and Librarians of various institutions in Bangladesh and India, who extended their full cooperation and help during the stage of data collection for this study.

I thank Mr. Kanubhai A. Patel for typing this thesis and Mr. Badrul Islam for drawing the figures and diagrams included in the thesis.

This page will remain incomplete without a mention of my parents whose blessings have always been with me and an expression of gratitude to my wife, Bhagirathi for being a constant source of inspiration, encouragement and moral support right from the point of undertaking this research through its completion. Words are inadequate to express my grateful feelings for her.
