

ACKNOWLEDGEMENT

The investigator expresses his heartfelt gratitude to his guide Professor D.B. Desai, Ex-Head, CASE and Ex-Dean, faculty of Education and Psychology, M.S.University, Baroda, for his encouragement, valuable guidance, critical comments and continuous help and support at all the stages of this work. Professor Desai's guidance and encouragement proved crucial all throughout the process of preparing research design, collection of research data, analysing and interpretation of the data and preparing the present research report. The investigator is deeply indebted to him.

Sincere thanks are extended to all the principals and teachers of the schools who have participated in the study. The investigator wish to acknowledge with gratitude their willing cooperation without which an indepth study would not have been possible.

Thanks are due to all the faculty members and colleagues at CASE and special thanks to Professor M.S.Yadav, Dean of the faculty who have unhesitatingly and readily provided help to facilitate the study. The investigation would like to thank Mr. Mario Xavier, lecturer in psychology, specially for his guidance and ready help in the statistical analysis involved in this thesis. He will ever appreciate the ready help of Smt. Sarojben, Librarian, CASE at every moment of his need.

(iv)

For the investigator it is indeed a matter of pleasure of life to admit his indebtedness to his family members, relatives and friends for their inspiration and encouragement to give a final shape to this work.

Finally, the investigator acknowledges his gratefulness to All Merciful God who enabled and inspired him to complete his challenging undertaking in a period of about 30 months.
